THIS · MONTH · IN · CLUB

As well as being home to one of the world's most underrated rivers (the Ob, which goes about its business of flowing for 2500 miles into the Arctic Ocean without boasting about it), Russia has another (equally impressive but not quite so long) claim to fame. You see, its capital city, Moscow, has played host to what is undoubtedly the most daring naughty pictures ever taken – AND WE'VE GOT THEM. Zooming your way to page 34 will certainly be a steppe in the right direction.

And while we can't guarantee you a Moscow strip-off every month, our regular lass about London, Lisa, is building up quite a reputation for herself. When you see what she actually gets up to, you can understand why.

Talking about reputations, Tracy Neve has already got one, so we don't need to say anything. Except that we've got seven pages of her.

We've also got Andrea Clarke working up a sweat, which we reckon *you* won't find too difficult to do with this crumpet-packed issue. If you do, we'll give you your money back; only, we won't, because we won't believe you. Enjoy.♣

COME AGAIN

the girl you've asked to see

"I'M IN LOVE!!" one reader kept writing to us, after he saw Stella's pictures in Vol 17 No 2. Every week since then, Bill of Exeter has been bombarding us with letters asking for a repeat showing of Stella's nubile charms. In the letter we had this week, he wrote:

"Stella is the cutest girl I've ever seen in Club, and I've been lusting after her ever since. She looks so young and innocent, but that wicked sparkle in her eye makes me certain that she knows how to please a man. Please, *please* let her know that my cock is just aching for another glimpse of her."

So we did – and Stella was pretty chuffed. "It's nice to get such a reaction from Bill and all the other guys who wanted to see me again," she says. "That photoset was one I was especially pleased with, 'cos I think it shows really well that, quite simply, I *love* sex. And as I said then, I'm really looking forward to reaching my sexual peak."

We're looking forward to it, too, darlin'.♣

Toy Boy's Tricks

I would like to tell you about the day I fucked a gorgeous married bird, Anne. She was about 42, while I was only 21 . . . and her old man – Ken – used to work nights quite a lot. So when he was at work I would pop around to see her. At first it was just to talk and have a laugh; I had worked with her, so it was pretty innocent until the night I decided I wanted to screw her. She would get the mags out – mainly Club – and we'd go through them; she would ask me which of the girls I preferred.

This particular night we had the mags out as usual, and Anne was flinging her arms about and spreading her legs – generally acting as if she was asking for it. I took the chance, kissing her and touching her all over. I thought she might at least say no, but she didn't. Instead, she responded agreeably to my caresses and kissing. Well, I had to take it further; I undressed down to a raunchy black rubber jockstrap, pushed Anne's skirt up, pulled down her little white panties (she wore silky white stockings) and buried my head between her legs, lapping and eating at her juicy pussy, giving her a fantastic orgasm. My cock was very hard by now, bulging forward in the kinky jock, yearning to thrust up her. From the way she was squirming and moaning, I knew Anne wanted it too.

I quickly pulled the sexy garment off and rammed my cock deep into Anne's succulent cunt, thrusting backwards and forwards, fucking her for all I was worth. I took her doggy fashion and spurted my creamy spunk right up her. After that night, we fucked whenever Ken was on nights, all over the house and in the back garden, and at my place, too. Unfortunately they soon moved away to Derby, and I really miss mounting and riding her. With any luck Anne might see this! And if you are reading this, Anne, I have some more jockstraps and posing pouches . . . and I'd love to fuck you and eat your luscious pussy again! And to have you in your basques, baby dolls, stockings and suspenders! – *Andrew, Hull*

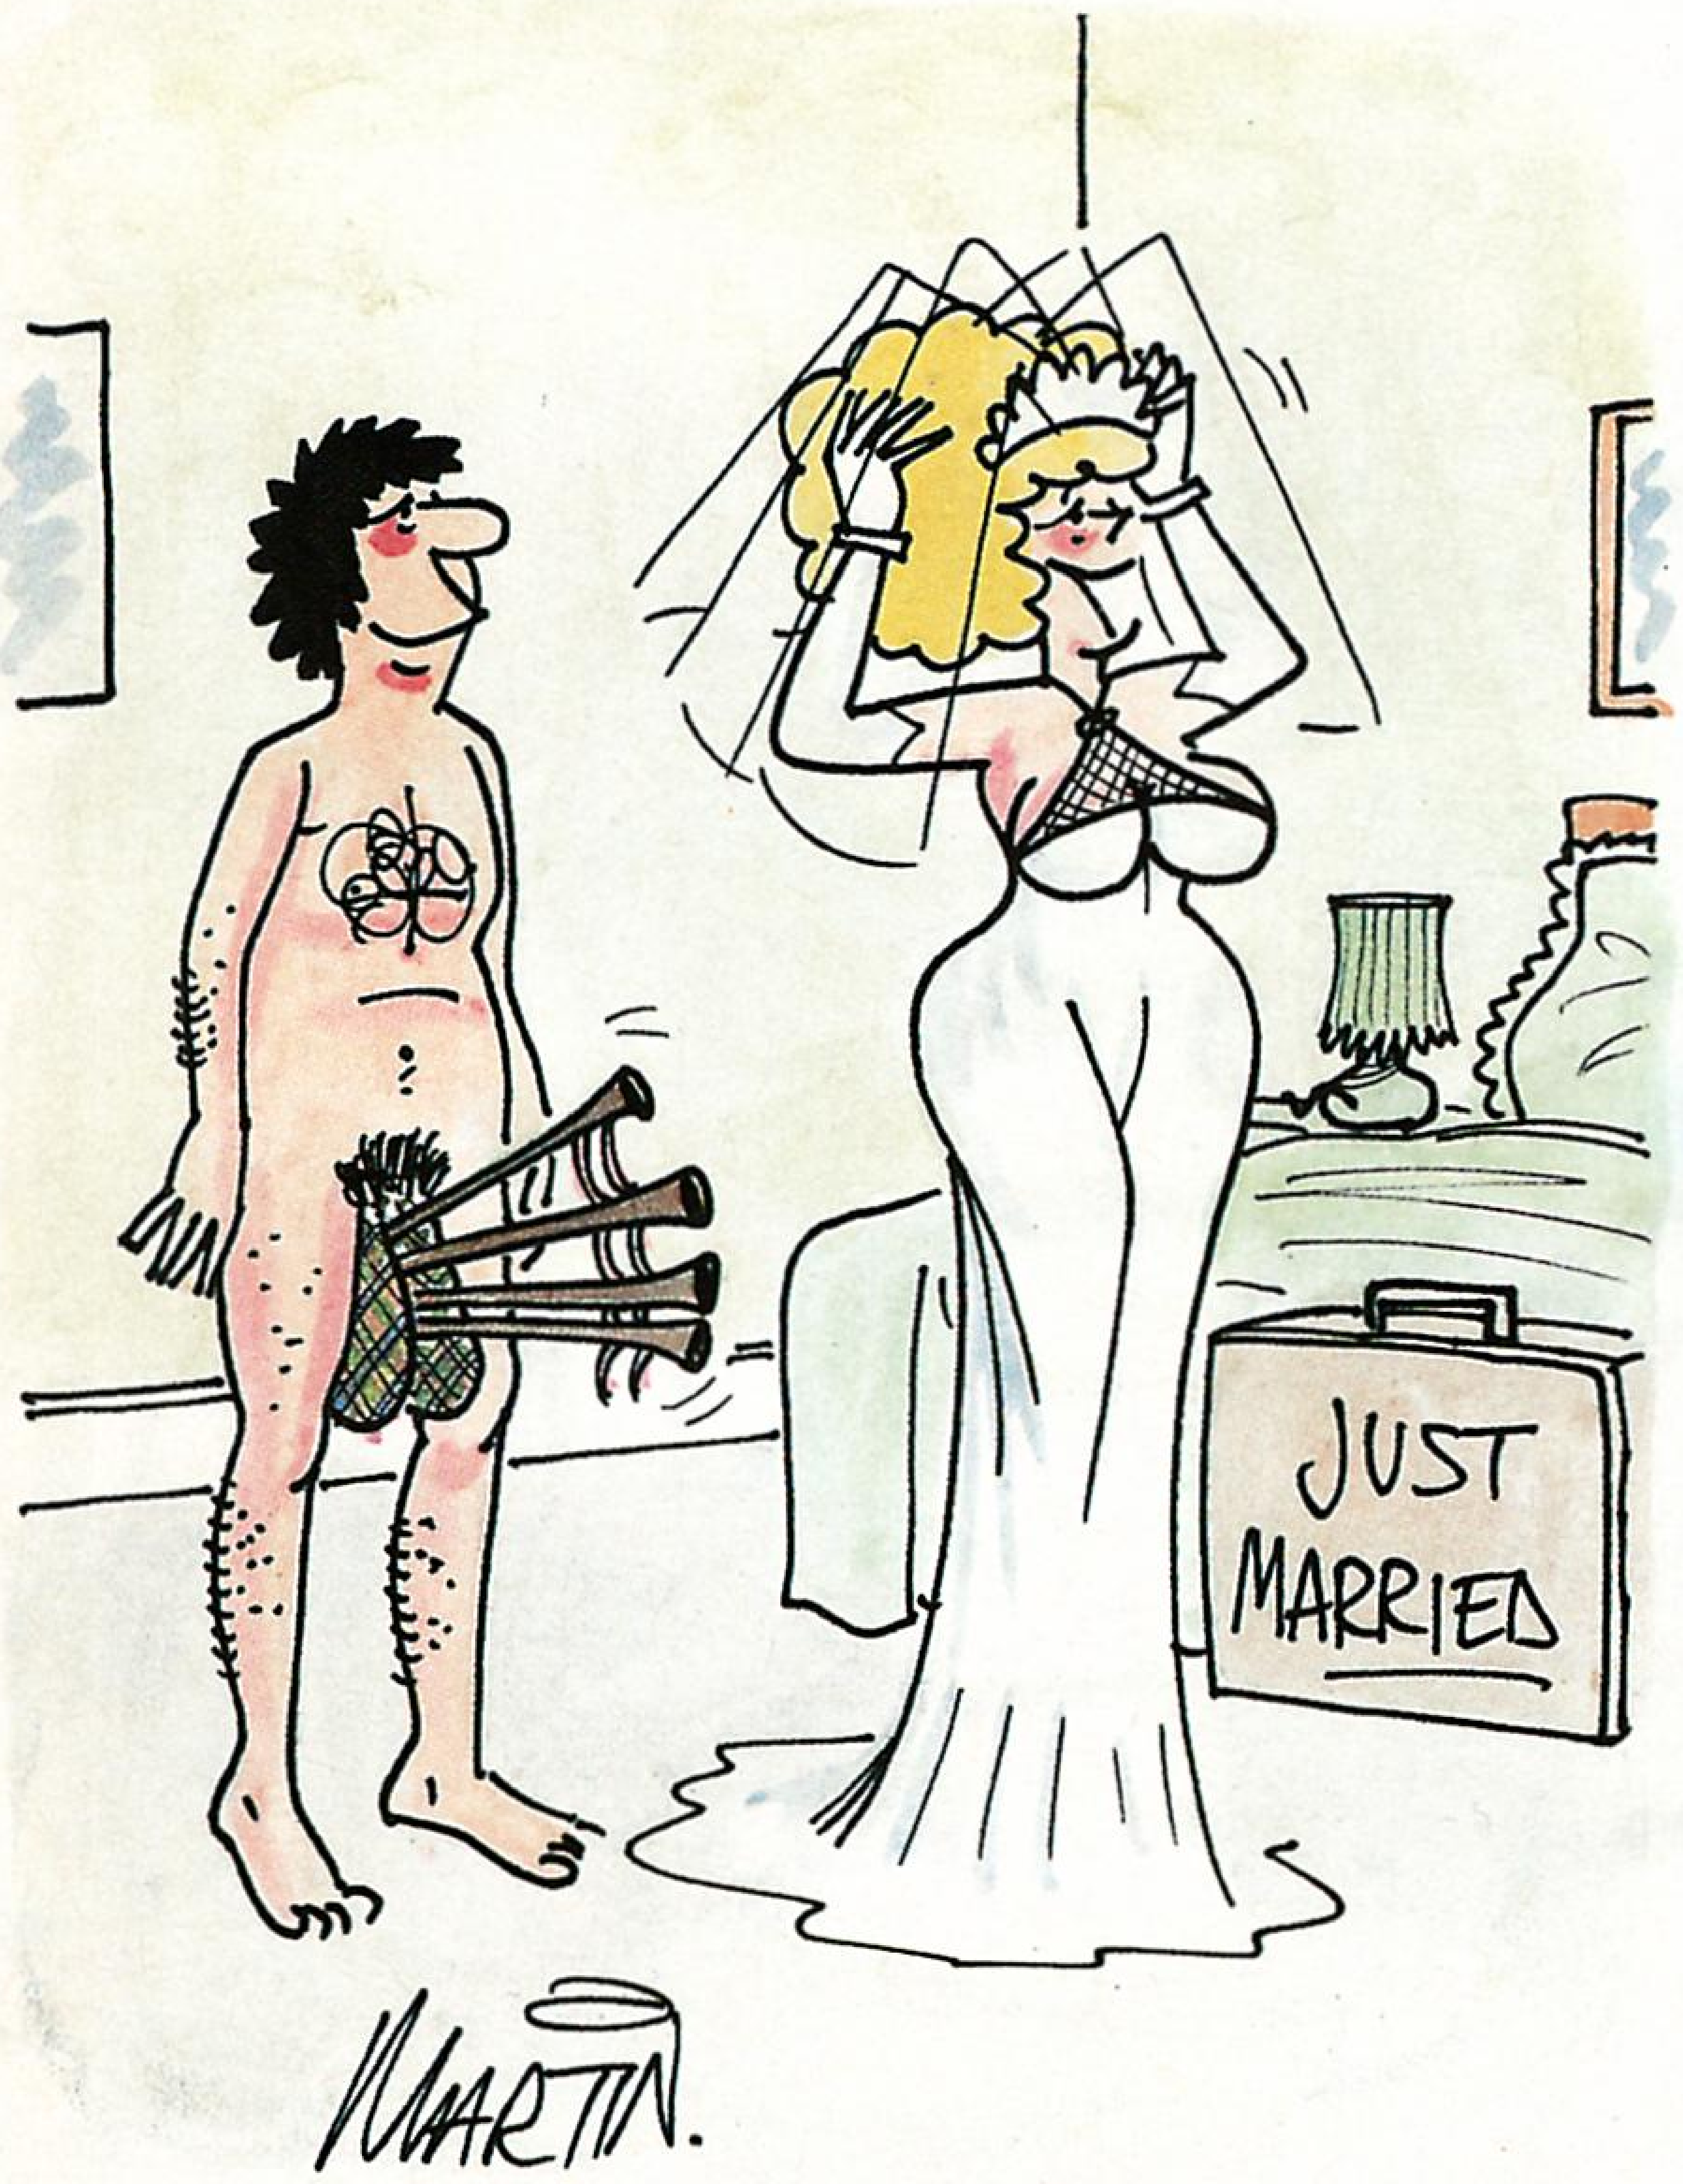
Knick, Knick

I would like to make a plea for French knickers.

I am sure I am not the only Club reader to cherish these much misunderstood garments. To me they are the apogee of lingerie, epitomizing sophistication and eroticism, accentuating the curves of the wearer, while delicately concealing her sexuality. I have ejected buckets of semen fantasizing over and experiencing them.

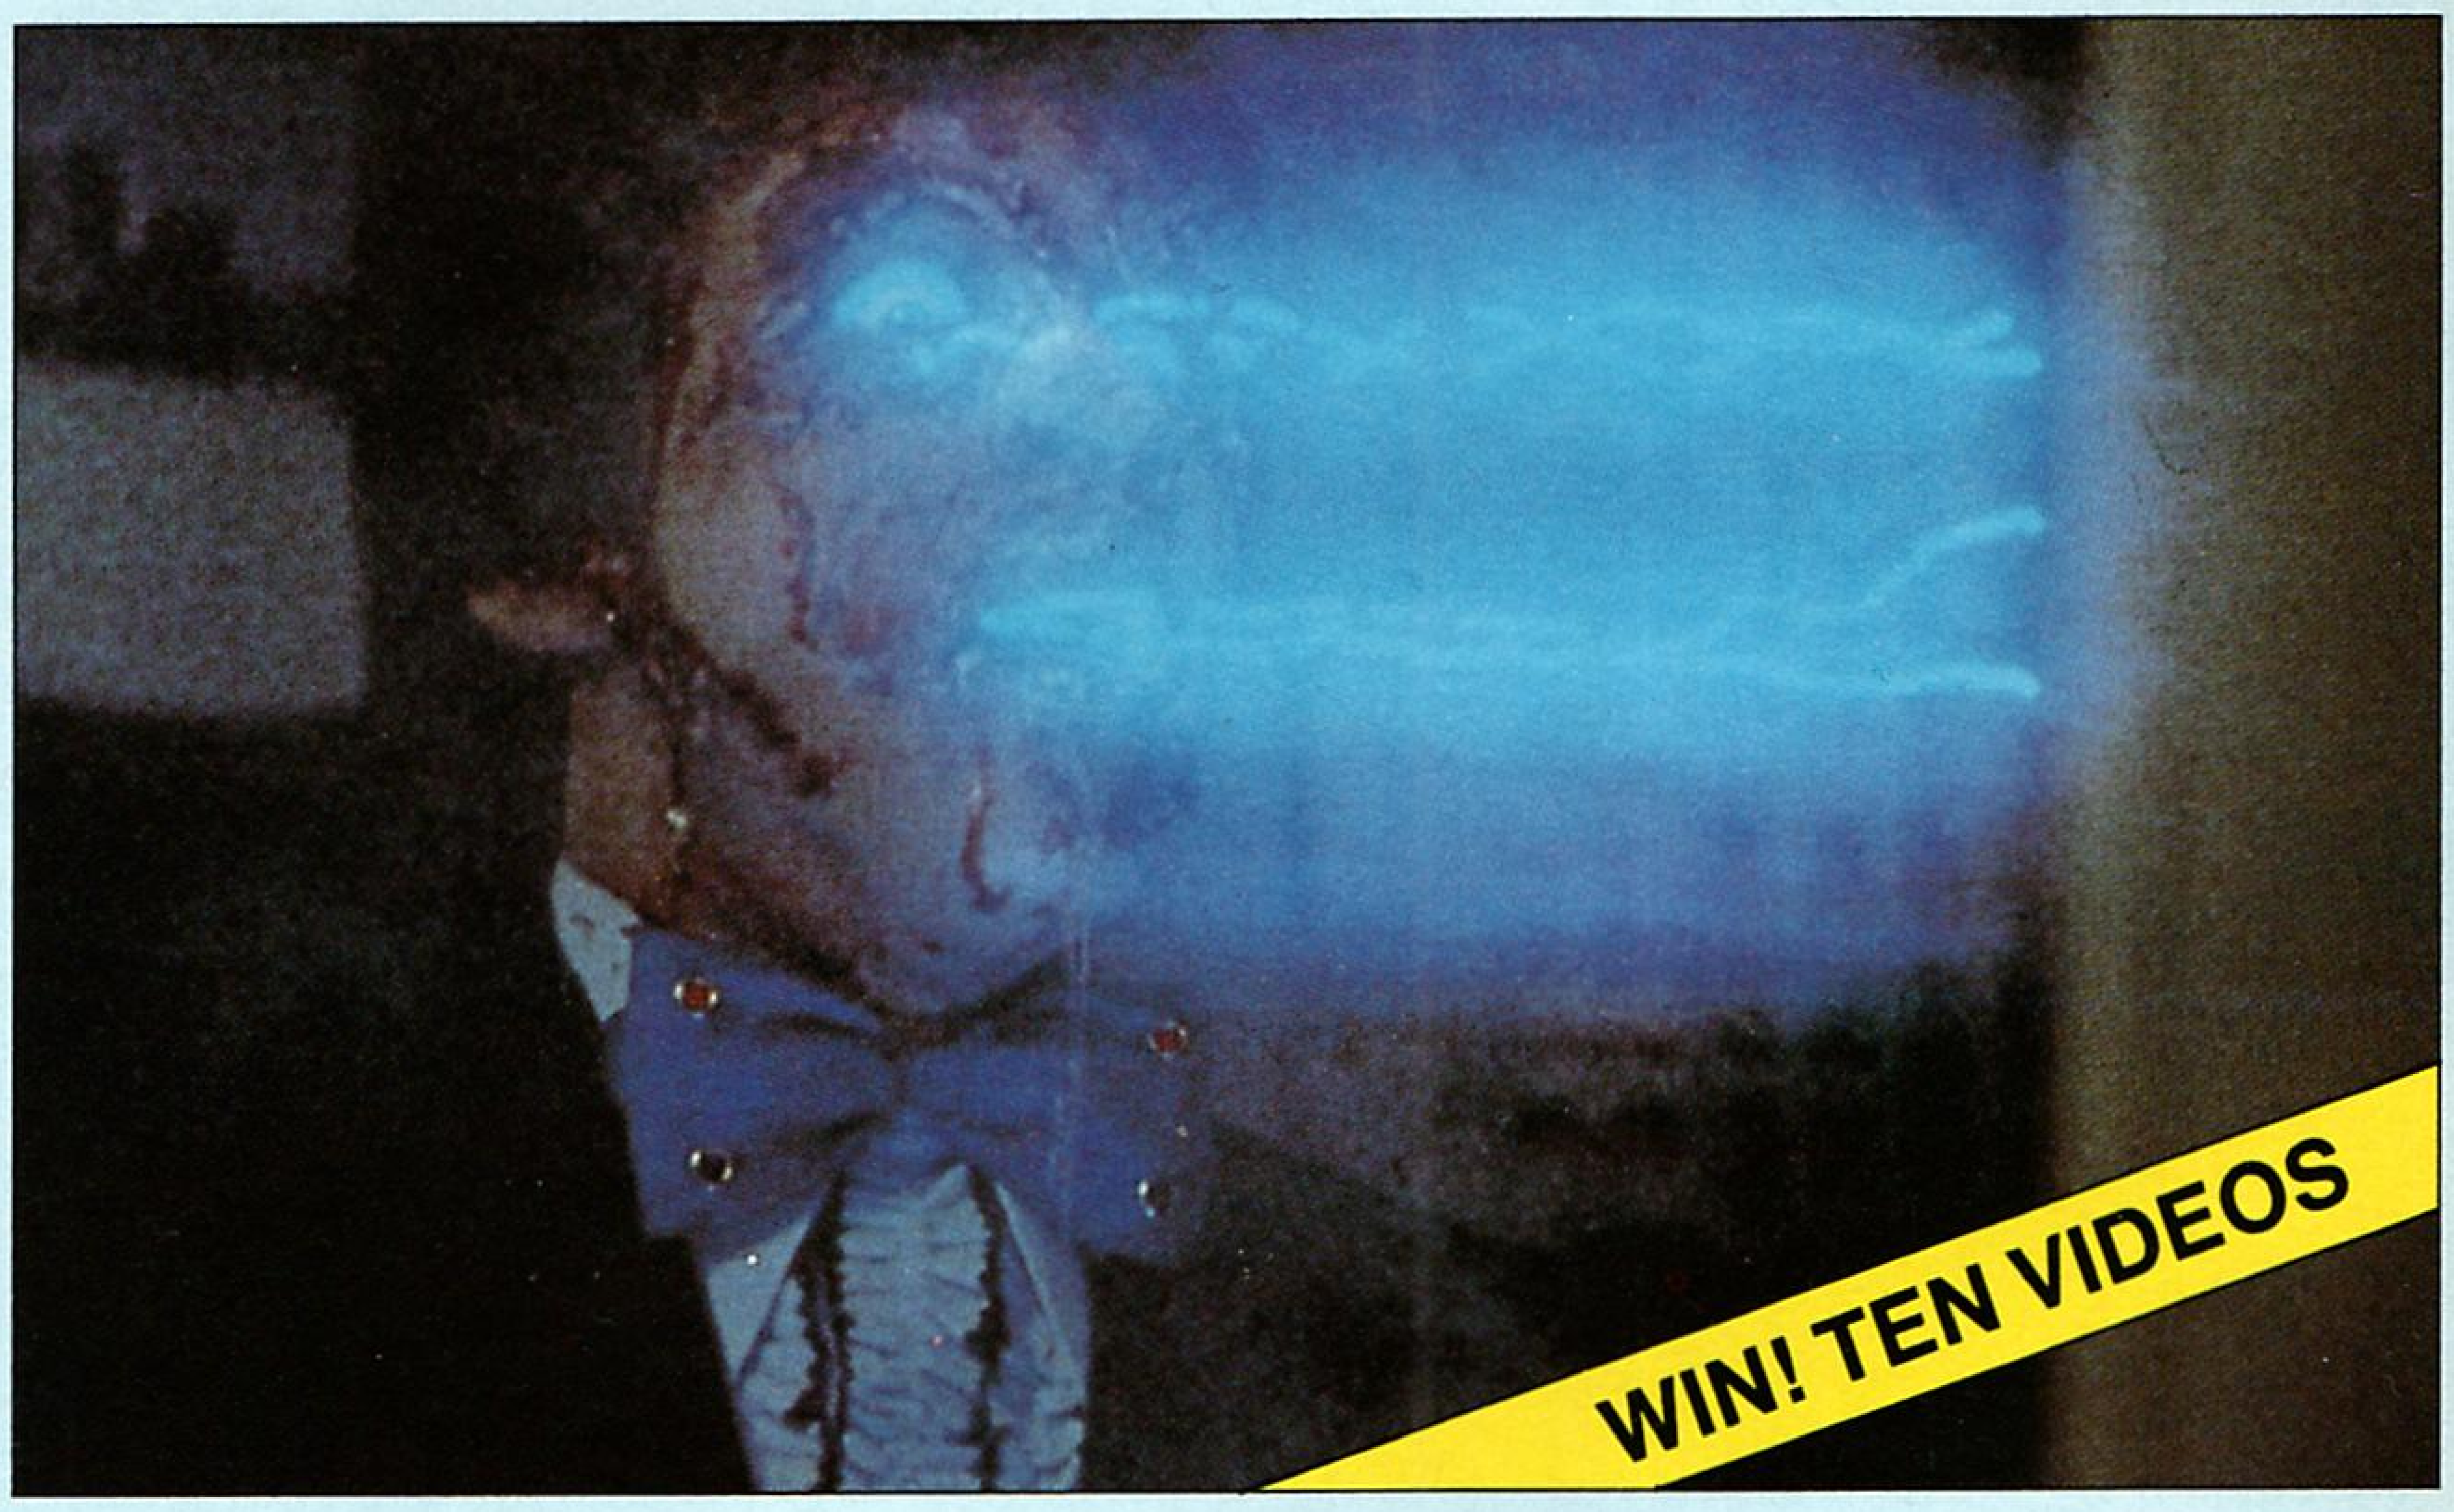
What really saddens me, however, is that my very favourite periodical, Club International, has suffered in the past from either lack of appearance of or lack of veneration of French knicks. Too often a perfect tableau featuring some lounging lovely just fails to reach that perfection because she has descarded her bloomers too early in the set or any sight of them is limited to the smaller size of photo.

French knickers must be treated with the greatest care and respect. I object to their mishandling in photographs. They should not be strewn all over the set. If the model is not wearing them, then she should be clutching them lovingly to her breasts. She



"Well, Angus, where's this amazing surprise you promised me?"

BLUE MARY LOU



Carrie on screaming! Which you will certainly be doing when you feast your eyes on a copy of *Hello Mary Lou: Prom Night 2.* In fact, after carefully scrutinizing it on the Editorial video recorder yesterday afternoon, we'd say it was a real scream.

It's a parody of the horror classic *Carrie*, apparently, and big Al B. thought it was well worth a night in with a six pack, as you can tell from his enthusiastic review on page 26. Will you survive the attack of the blood red claws? What *is* the secret of the ex-prom queen from the 50s High School hop? Does having a 360-degree rotational head make you better in the sack? All this, and just about everything else, is revealed in the film, and it's a corker.

And as an excuse for you lot to get the six packs in yourselves, we've got ten of these vids to post to you under a plain brown wrapper. To make sure you grab one, look at the picture above. The poor chap seems to have eaten something that disagreed with him, so what we'd like is for a hilarious caption, along with your name and address, to arrive in the office. Send your entries to:

may, if this does not apply, be seen stepping into them. If she is undressing, the photos should show her gently pulling the fabric just below her derrière and, if I may request, one should be in no doubt that she is enjoying an erotic experience (bottom pushed out, head back, eyes closed, mouth slightly open).

In other respects, I am quite happy for the subject to place her hands inside her knickers or to use her hands to coyly cover herself. She may, in all cases, touch her knickers, but she must always revere and pamper them.

Briefly, then, above are a few suggestions for future features in this publication where French knickers are in evidence. I am not as bold as to suggest a special item (un)covering them each issue. Ah! But there is food for thought. Certainly, as I am confident you will agree from this little polemic, a case exists? Truly, their softness, uniqueness, and sensuality deserve better employment than hitherto evident in yours and other journals.

I make a recent exception. Vol 16 No 9 featured Annika. Now here is a perfect example of what I advocate. In this set are one or two photographs that obey my tenets. The briefs chosen – a silky, floral camisole and French knickers – are more than sensual. Covering Annika, their allure is enhanced by her superb bum and tits, as is she by their softness, their revealing cut, but most of all, their all-pervading femininity. The featured picture of her in the front of the magazine is a classic. It brings out the orgasm-producing qualities of both the model and her underwear. Full marks.

But the same number included Ashley. She was wearing (one can fortunately still deduce from their poor – or is it nearly complete – coverage) a delicious pair of black, lacy French knickers. This centrespread of an enticing young lady, with a delectable bush, is ruined by a blatant attempt to suppress her briefs and concentrate on her genitalia. Being a connoisseur, I know we have all missed a treat. Please rectify this by featuring some shots of Ashley in those bewitching knickers.

I have to stop now. However, I promise to write again at length about my passion and some of my experiences. As a taster, my girlfriend wore my favourite pair last night as she wanked me with her best cami-knickers. – *PJM (Herts Appreciation Society of French Knickers)*

Moan 1

Just a line to say (a) how excellent Club is, and (b) how *even more* excellent it could be, given a bit more care and attention to detail. This *isn't* a thinly-disguised slag-off letter, mind you. For example:

(1) Can I just say (on behalf of the entire nation) that the photoset of your naked "ballerina" in Vol 17 No 1, constituted the sexiest, most mind-blitzingly erotic eight pages that Club has ever stumped up in the few years that I've been acquainted with your

TOP TITS

I read something just recently about this breast implant process which allows the woman to alter the size of her bazookas at will. For example, a dame might have her elfin 34s pumped up to grabbable 38s and reap the benefits in terms of the number of males who want to test their grabbability.

Should she so desire, the girl with the grubby paw marks all over the front of her shirt can then go back to the doc and get some more newspaper (or whatever it is they use) stuffed in to give her the big 40, and even more grubby paw marks on her shirt. And then, when she gets fed up of having to have her shirts laundered, out comes the stuffing. Great, eh?

Not that any of the above is at all of any interest to the many nubiles who adorn the pages of Club, all of whom are guaranteed 100 per. The only thing that gets any bigger are the assembled cocks of the readership of this fine publication when the tits you see here are unfolded before their eyes.

And you don't need no implant for *that*. – *Gary Garbonza* ♣

MOTORVATION

***John Masham** hates almost everything on the road except himself. Have a butcher's at this open letter to the Minister of Transport to see if he hates you . . .*

2CV + 2CV + 2CV = 3 bean tins. Ban 'em!

Dear Peter Bottomley,

As the bloke in charge of roads and traffic, I expect you'll be interested in some grass-*routes* opinion to keep you in touch with the electorate.

Like every meat-eating British road user, I was delighted to hear the recent, if overdue, announcement that Citroen is to stop making the 2CV. While it's tough on the company which prints CND car stickers, it is great news for the rest of us; after all, if God had intended it to be used as a car he'd have given the 2CV an engine.

Trusting you'll have the same nous as the French, Pete, here's a list of vehicles I, and thousands like me, would like to see banned from the roads for ever:

Morris Minors – Ownership of these post-war horrors is such a clear indication of senility that it seems incredible they are allowed on the highway. Minor drivers are invariably quite mad or married to the vicar, in which case she should travel by bike like her Victorian forbears did.

Volvo Estates – Driven by arrogant bastards protected by safety cells and nine-foot bumpers, ordinary Volvos are bad enough but since Volvo put a matched pair of Retrievers on the no-cost option list, the M4 has become a nightmare.

Express Coaches – You know the ones, hogging the fast lane all the way to Hartlepool, they're the tall buggers with the bars and the bogs. Let's see a return to Victorian values on the roads too: if people are too poor to buy a car not on this list, they shouldn't be allowed to cross county boundaries. Who wants to go to Hartlepool anyway?

All Nissans – Never mind the name-change, the British Consumer knows a Datsun when he sees one.

Big Bikes – Big bikes pose a unique problem. What, after all, is the point of saving your hard-earned until you've got the £80,000 necessary to buy a Ferrari Testarossa if, on the way out of the showroom, you're pissed into the weeds by a big Yamaha costing less than five grand. It's not cricket, and it's not fair. Unless you're the guy on the bike.

The Rover Group – Several objections here. The cars are crap, they're driven by reps and wallies, and the badge-engineered Metros, Maestros and Montegos give yet another generation the chance to mouth off ad nauseam about "the magic that is MG". Or rather *was*. MG was so magic that the company went bust.

Skoda – The name says it all, being a Czechoslovakian dialect word meaning "2CV"

Police Cars – A blanket category this one, including as it does everything from the Metro to the Jaguar XJ6. The objections are three-fold:

i) No self-respecting police officer wants to be seen driving a Maestro.

ii) No rate-paying citizen wants to see a policeman in a Jaguar (or a BMW or a Range Rover or indeed any of the other big buck roadburners that the police can afford but he cannot).

iii) In fact, thinking about it, no rate-paying, road-using citizen really wants to see traffic cops on anything other than a bicycle. Actually, they don't want to see them *at all*.

Obviously I could go on all day but there's plenty of stuff here for you to make a start on. I've some fairly radical ideas on drink driving, too – like, it should be made compulsory – but I'll save those for another time. Now get your arse in gear and sling this lot off the road! ♣

TRACY NEVE

This idea of ours to send girls to holiday hotspots all over the globe is setting us back a few bob – but, boy, is it worth it when we can take pictures like these. **And Tracy Neve?** Well, she's definitely worth breaking the bank for . . .

Photographs by John Graham

Hiya, boys, and welcome to the Costa del Sol, courtesy of Club International! I was particularly happy to be asked to come here, because the south of Spain is one of my favourite haunts. I know it doesn't enjoy the best of reputations with everyone; but if, like me, you're prepared to explore off the beaten track, you

would never know you were only a few miles away from fish and chip shops, Union Jack trunks and yesterday's copy of the Daily Star.

I'm very proud of my body, and I enjoy showing it off. I'm always aware of being ogled when I sunbathe topless – or even nude – and I like the idea that I might be making men horny. Spain's a great place to come for voyeurs

– all that flesh on the beaches! Anyway, enjoy the pictures. I might be returning to Spain later on in the summer, so do say hello: I like being chatted up and I'm very easy to recognize, even with my sun hat and shades on . . . ! ♣

marvellous magazine. She was enough to have the semen flooding out of my limp cock by the gallon before I'd even had time to get a hard-on. Every inch of her naked body was *perfect*. She was so penis-drainingly sexy it was hardly bearable. Bring her back immediately – for a 20-page set showing her gorgeous, naked body in even more athletic positions.

Those beautiful legs and bare buttocks . . . Just imagine them wrapped around your face and neck, her dripping cunt lips squashed firmly over your mouth, while she rolls your wavering penis back and forth quickly between the balls of her cool palms, peels back your foreskin with her nails, then takes your hugely swollen glans into her hot, wet mouth and sucks *frighteningly* hard on your stiff, throbbing penis, so that the head swells to an unnaturally enormous size before unleashing a hurricane of sperm into her mouth and throat. Imagine her swallowing half of it, letting the rest run back out over your stomach and testicles, licking your balls and half-stiff shaft with a clinical firmness and precision . . . then taking your penis between her fingers again, rubbing it back and forth between her cool palms – and the whole process beginning all over again . . .

It's quite obvious that *thousands* of people will be writing in to rave about her . . . and do you actually know why? I'd just like to draw your attention to why it worked so well as a set.

Quite simply: (i) it was so *fucking* sexy because she was *totally naked*. It does make a huge difference, you know. This suspenders-and-basques business is all very well, but it's a plain fact that in the end there's nothing quite like a sexy girl stripped stark naked (except for the odd ballet shoe). You *must* feature more complete nakedness.

(ii) Her strongly-lit *pallid* nakedness against a plain, darkish background made her seem *even more* naked.

(iii) The fact that her hair was tied back was a real turn-on: she was really getting down to the job.

(iv) The fact that she didn't smile, and was in fact almost expressionless, was very significant.

(v) And finally, the sheer selection of positions in which she was photographed: the sexual charge was *enormous*.

Club is a *sex* magazine – for *men*. That ballerina set is how the whole magazine should be, and I can't thank you enough for it. Now please, *please* bring the rest of Club right up to that high standard of beautiful, no-nonsense, penis-thumping sexuality. You've proved you can do it. – *James F, Portslade*

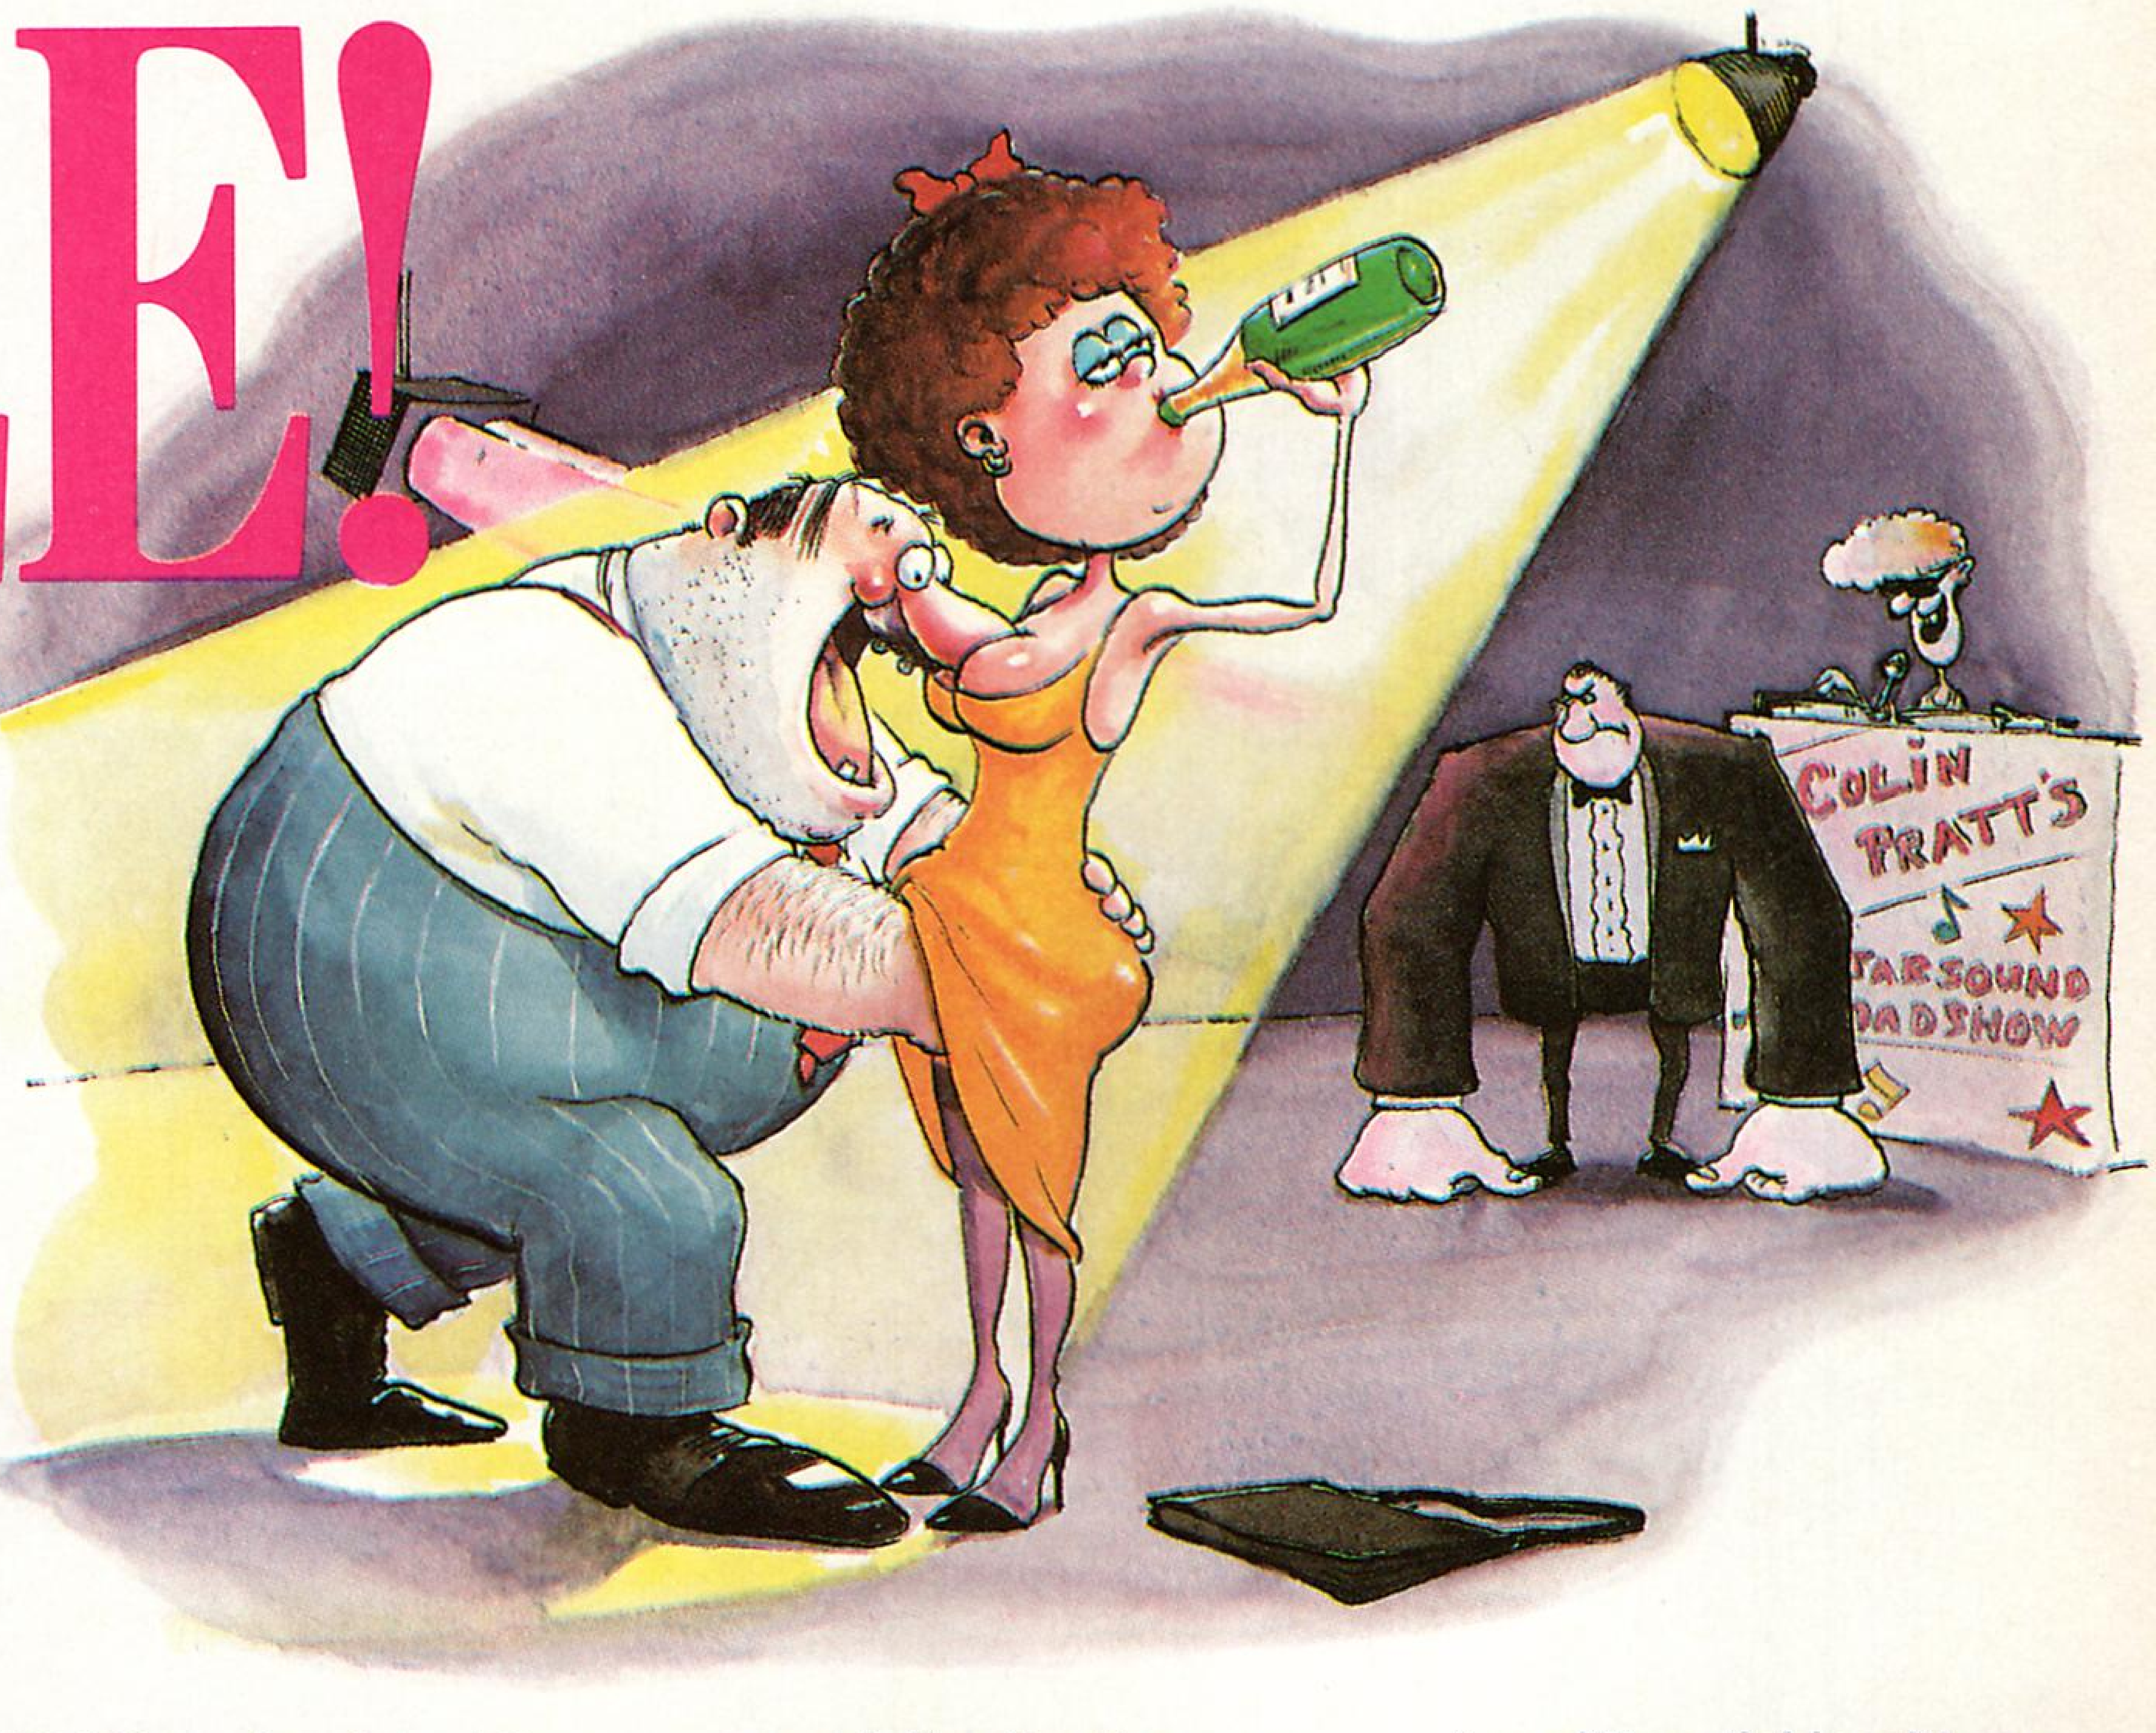
GOBBLE!

Gobble isn't just about eating, you know. It's also about getting really pissed. That's why we got **Nathaniel Fatbastard** *to write it.*



Since I've been writing this column for Club International, I've been inundated with letters asking questions on many aspects of *haute cuisine* and viniculture. One of the most popular is: "Have you got some kind of a drink problem, you piss artist bastard?" Too fuckin' right, I have. It's called 11 o'clock closing. 'Cos of some law dating back to King Hengist the Shiteater, any self-respecting drinker who fancies a few after the ridiculously early hour of eleven is forced to go to a night club.

Only last week I found myself in just such a predicament travelling through the Midlands. That's how I came to be in *Salmonella's* disco and night club (163, Concrete Street, Aston). It has a strict dress code – jackets, ties and trousers must be at least 60 per cent Polyester and available in C&A – so I dressed down.

Inside there's the cosy ambience of 200 Brummy shop girls' armpits and the decor is a realistic reconstruction of a 1970s branch of Chelsea Girl. Chairs were harder to find than a *Mastermind* finalist, so I leaned on the bar and started talking to the genial blonde serving me.

"Is Wednesday a busy night for you?" I enquired.

The reply was like a breath of Brummy air.

"Look, do you wanna fookin drink or waa?"

I plumped for a half of Belsch continental lager (£3.80), and watched the party from Tesco's gyrate around their handbags to a Rick Astley ballad played at 280 decibels. After two more lagers, I opted for a bottle of the house champagne. I asked what type and year it was, and she told me it was something foreign called spumante and the sell-by date. It was a little sweet for my taste as most of the alcohol had turned to sugar, but had a lively feel, especially after the curry I'd enjoyed earlier and several times since.

Spotting the champers, a giggly blonde with playdough tits in a shiny low-cut red dress approached me. Her name was Tracey and she worked in a hairdressers in Edgbaston. I told her who I was, then treated her to a dance. It was a slow smoochy number and I got my hand right inside her St Michaels and was giving her clitty a tickle with my sovereign ring. Then I nibbled to tops of her tits, burrowing my nose into her cleavage.

"That's a lovely dress, Tracey," I said.

"Thanks, Mister," she replied.

"Lovely material. Is it washable?"

"Why do you ask?"

"Idle curiosity."

Then I belched and honked the lot right over her knockers.♣

Snapped!

We got fed up with lounging around the office last week, so we broke open the petty cash box, dug out the Nikon and dropped in on a few smart parties. And guess what? They were full of *gorgeous women!* We should do this more often . . .

Bazar, innit? Whenever Thereze slips on her favourite stockings and has a basque on her new Habitat sheets, there's always a snapper in attendance. Still, another day, another Dollar

Dressing like an upside down toadstool is all the rage in Beverly Hills these days, and Morgan Fairchild sets the trend. As you can tell from the bulge up top, there's not mushroom in that one . . .

really, bearing in mind the fact that yours is far and away the classiest sex magazine on the market.

Moan 1: In Club Vol 16 No 13, you featured the fantastic Colette, and sounded off on page four about her delicious shaved pussy. The taster photo was simply mouthwatering – a glimpse of silky-smooth pouting mound, and those gorgeous fingers, lips and eyes – but what was the reality of the photoset itself? Only four lousy pages, in which delicious Colette was shown doing everything except exposing her shaven genitals properly. Just what the hell are you playing at exactly? It was an absolutely *soul-destroying* experience. A gorgeous hairless vagina, ready and willing to be photographed in all its penis-beckoning nakedness – and you ignore it completely. Club *always* shows its girls' cunts close-to with lips peeping out: that's what makes Club the best. So why no knees-pulled-up-and-legs-spread pictures of Colette? Are you quite mad? You only rarely feature a hairless vagina – so *please* don't blow it again, I beg you: you nearly broke my heart! I demand that you print an extra photo or two, either on your letters page or in *Come Again*, showing a good, strong close-up view of the gorgeous Colette's naked hairless genitals, lips and all – and that you get her back for another session soonest, and this time do it properly: legs wide akimbo, cunt lips showing, arsehole clearly visible, nipples hard and erect – and the dear girl with not a *stitch* on, photographed close-up in all her shameless naked glory.

Moan 2: Less of these letters about wanking, please. Most Club readers are men, and heterosexual at that. We don't want or need to read screeds of trash in a magazine which should know better than to give them column space.

Moan 3: Just because a woman is comparatively well-known, that alone doesn't mean to say your readers want to see nude photos of her regardless of what she looks like. I'm talking about your set of photos featuring Lu Varley. Listen: Mollie Sugden is also well-known, but would you print a nude set of her? Or of Tessie O'Shea? Celebrity is not enough: the Lu Varley feature was a waste of space and an utter turn-off. Let's face it: she has a clumsy body, a shapeless backside and her tits are like something off a seaside postcard. And, let's be honest here: she has a face like an upturned pudding basin.

Moan 4: Finally, a few brief hints and tips. Please add more actual *sexuality* to your photosets now and then. It'd be a big turn-on and would doubtless increase your circulation drastically. I'm not suggesting anything outside the law, mind you, but how about:

(a) More doubles and groups, especially showing girls actually *undressing* one another, and perhaps a little more if we're very lucky.

(b) Can we please have some more actual *nakedness*? Part-clothed shots *are* a turn-on, but suspender and stocking shots do get a bit tedious when it's to the exclusion of all else. There should be at least three stark naked shots in each set: after all, that's what abandoning yourself to the camera in all your delicious sexy shamelessness is ultimately all about, isn't it?

(c) I for one would like to see more *older* women featured now and then: truly beautiful and sexy examples from the 35-40 bracket. Best of all would be to see one in a *Club Event*, being ganged up against and stripped completely naked by a group of much younger girls, all of whom are at least partially clothed.

Doubtless you'll ignore all this – but, then again, maybe other Club readers will write in and agree, so perhaps we'll still make some headway in the end. Farewell – and please let's have some more *stark* naked lovelies with smooth, hairless vulvas, spreading their long bare legs, splaying their gorgeous buttocks, drawing their knees right up under their

A man goes into a pub with a newt on his shoulder, and orders a pint and a Scotch. He drinks the pint, and gives the Scotch to the newt.

"Here," says the barman, "what's that on your shoulder?"

"It's a newt," says the man. "He's called Tiny."

"Oh? Why?"

"'Cos he's my newt."

Lisa's Guide to London

Our Lisa had a bit of a close call with the boys in blue after her revelations last month at Horseguards Parade. But the distant clink of handcuffs can't deter our intrepid reporter – in fact, it gets her going more than ever. Down by Tower Bridge, as she showed what she'd got, she told the assembled throng:

"The Gothic towers of the bridge are not purely ornamental; they contain the steam-powered machinery which lifts the drawbridge."

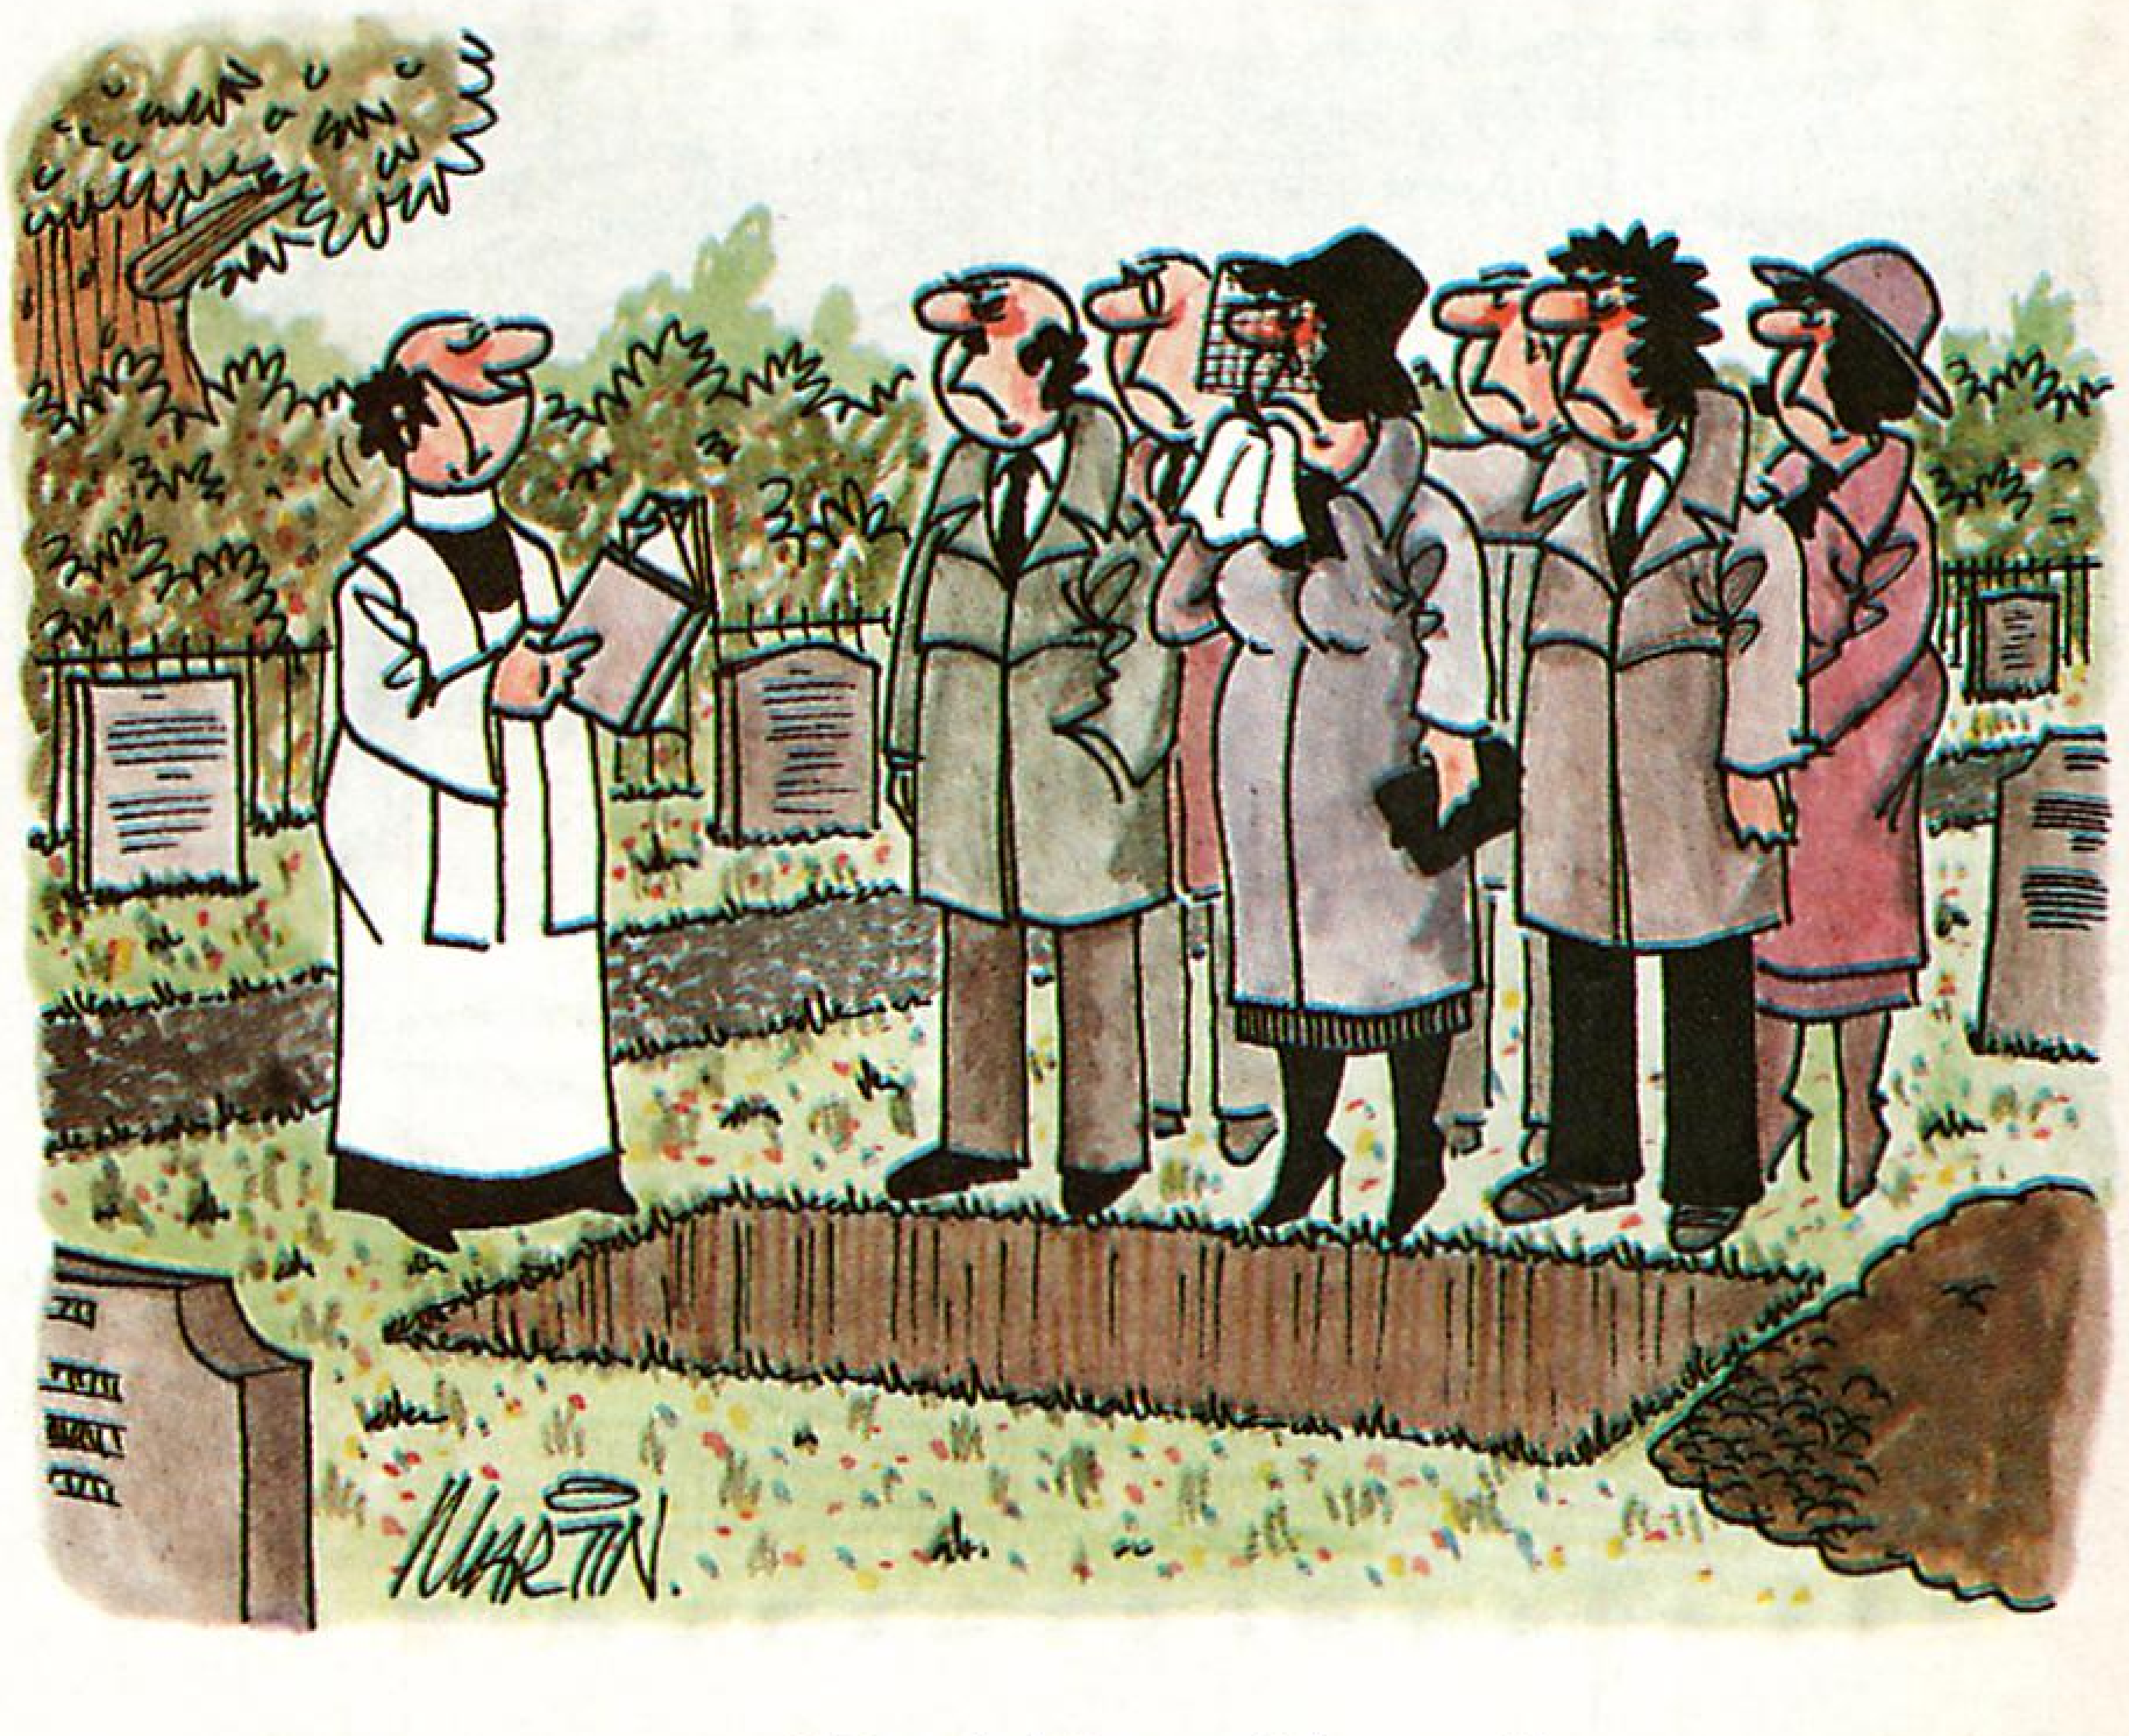
At which she lifted her skirt and continued:

"A rather spectacular event happened in 1954 when the warning signal failed to sound and a bus had to leap the gap as the bridge was raised."

"And Lisa's making a rather spectacular event of her own," quipped photographer Copthorne, as our lass did a couple of cheeky shots for good measure.

"Now let's scarper before we're forced to make a leap of our own."

And scarper they did, ready to come back next month to continue the tour everyone's talking about.♣



"But joking aside . . ."

ASK ANDREA

YOU NAME IT,
MS CLARKE WILL DO IT!

Most of you seem to be working up a fair sweat over our regular Andrea Clarke feature, judging by the amount of mail we've been deluged with this month. And Andrea herself was getting a bit hot under the collar reading all the naughty suggestions and propositions you've been making.

"Well, the men all buy Club International to be turned on," says our Andrea. "And judging by my letters, they seem to know *exactly* what they want to get them wanking. And I aim to have their hands working overtime every month."

So, we thought, how about a set in the gym to get the wrist exercises under way? After loads of crap puns from the Ed about exercise and pumping hard iron and how *fit* Andrea is, we decided it was a winner. Lots of hard bars, Andrea pounding away on an exercise bike . . . what more could you want? Julian of Carshalton was the man who gave us the idea, when he wrote:

"Andrea, you're a girl I'd love to work up a sweat with any day, and there's nothing I'd like better than to see you dressed in a skimpy, clinging leotard, exercising those firm, juicy thighs and bouncy boobs. I always lust after athletic girls and you're definitely my type – in or out of the gym."

Ours, too, Julian. So, no sooner said than done . . . ♣

letters to ANDREA

Dear Andrea,
I am writing to ask if it would be possible for you to appear in Club International in a nurse's uniform, black stockings and suspenders. If not, is it possible for you to wear a policewoman's uniform with a black mini skirt, black stockings and suspenders? I would wank myself to death if you could please try and do this for me. I've always wanted to see a model dressed as a policewoman or a nurse with black stockings and suspenders with a good view of the legs, and up her skirt. – Mike, Manchester

I'm fond of uniforms so I may well try those out. What I really like about them, though, is that men can't wait to get them off you!

Dear Andrea,
I am a great fan of yours, and I am collecting every picture of you that I can. I read in Club International Vol 17 No 3 that you might live out a reader's requested fantasy and so I felt this was a chance too good to miss.

My request is fairly simple. I would like to see you dressed in skintight faded jeans, a tight white T-shirt (preferably not wearing a bra), and plain white panties with white, ornate stockings. To top it all off, could you have your beautiful blonde hair tied back in a ponytail? This is how I like to visualise you in my dreams. Don't get me wrong, I'm not obsessive, but I like to concentrate on one girl alone.

Finally, and I know this may be pushing things a bit, could I have a signed photo of you? I would be eternally grateful if you could oblige me in any of these requests. – Grant, Kent

Well, Grant, that's how I like things – simple. Quite often, I go out wearing the exact outfit you've described, but I'm not so sure about the stockings, though. A bit uncomfortable under skintight jeans! And I'll send you my photo, with an extra special message, as soon as the Ed prints some up!

Dear Andrea,
You have got to be the horniest woman ever to be featured in the pages of Club International. Have they got a monopoly on all the best looking girls?

I've always been a sucker for curvy blondes with cheeky grins, and you remind me very much of a girl I once "had the pleasure of" a couple of years back. She was the younger sister of my best mate.

One evening, I called round for my mate but he was out – as was the whole family except for his little sister, who answered the door wearing a T-shirt and not much else. She was looking gorgeous, and when she invited me in for coffee I was hardly going to refuse. In the lounge, she suddenly leapt on me on the sofa, and soon we were snogging passionately.

I could hardly believe my luck when she fished out my cock from my trousers and started to fondle it. I was painfully erect, and she

started to wank me, slowly at first but then building up speed until I shot my load over the front of her T-shirt.

"I'd better take this off now you've spunked all over it," she grinned, and quickly took it off to reveal the best pair of juicy tits I'd seen in ages. She shoved my head towards them and I sucked on a nipple while she fingered herself. I'd never seen a girl do that to herself before, and it got my prick hard again very fast.

Eventually she climbed on top of me, and stuck my prick into her wet hole. I could feel her pussy walls stretching as she bobbed up and down, and before long, both of us came with loud groans.

Seeing you in Club reminded me of her, so let's hope we see a lot more of you in the near future! – Dominic, Cheshire

I'm glad to hear that my photos brought back so many memories of your girl, and I can tell you for certain that you'll be seeing a very great deal more of me in Club. ♣

Well, what would YOU like to see Andrea do? Write to her at Club International, 2 Archer Street, London W1V 7HE and leave the rest to us!

It's a long, hard struggle to make it to the top of the heap. Just ask your local dustman, or any of the girls in **Centrefold Screentest Take Two**, a fly-on-the-trousers documentary taken from the actual casting tapes of some of Hollywood's most unscrupulous producers and directors. The 18 beautiful girls who can be seen here are all hoping to make it big – and they do, believe me. Take Heather, for example (so named, no doubt, because many a guy gets lucky with her). She says she's willing to do *anything* to get a part, and that includes rummaging round in the casting director's Y-fronts. Funny, you'd have thought she'd at least have brought her own underwear to the audition.

First off in this packed programme we see a bevy of beauties clambering into a hot tub for an emotionally demanding sequence from a proposed picture called *Malibu Nights* (must watch for that one on Oscar night). "Let's see your nipples, baby" prompts an enthusiastic voice off-camera – or was it just me getting carried away? Then we move on to an even more dramatic scene. "You're taking a bath when your next-door-neighbour comes over to fix your pipes," says the director. "Be vibrant, be sultry!" A lively, dumb blonde called Dawn looks like she might need a dictionary to work this out, but she manages just fine, thrusting her bristols at the camera and asking: "How would you like to suck on these?" Works for me . . .

And so the parade of saucy starlets goes on, through tryouts for commercials that feature gorgeous brunettes draped over car bonnets and auditions for strippers for "very important" night club sequences in low-budget crime epics of the sort that only ever turn up on video. Did Meryl Streep really start out this way? The best moment comes in a hidden-camera sequence where a knockout blonde called Ashley bravely refuses to flash her threepenny bits. "I'm an actress!" she screeches. The producer looks surprised, but he doesn't lose his sense of humour. He just asks: "So I suppose a blow job is out of the question . . .?"

Next to light up the trusty 27-incher this month is an *Electric Hollywood* release called **Sensual Fire**, which stars superstud Jamie Gillis as randy Roy, a lad whose obsession with teen nymphets drives him to drink. He eventually manages to cut down his alcohol consumption by using bigger ice cubes, but he can't get the thought of wanton young females like his girlfriend's teenage daughter out of his mind. The only cure lies in a visit to Madame Rose's junior bordello where he gets into a pretty heavy bonking session with 15 (count 'em!) red hot Lolitas. But even this doesn't satisfy him, so he goes back and gets it on with the young daughter as well. All I want to know is what this guy eats for breakfast.

FOUL·PLAY

***U Watt?** Which is exactly what he said when he found out what they were going to do to Wembley . . .*

When Bill Shankly said: "Football isn't a matter of life or death – it's far more important than that," he meant it. And the late, great man isn't alone in taking our national sport so seriously. Millions of us eat, sleep and breathe football.

And, while the Scots no doubt feel the same about Hampden Park, the very pinnacle of the game in this country is undoubtedly good old Wemb-a-lee.

Old? Without a doubt. But *good*? Don't make me laugh. The place is going to rack and ruin. The turf may still be hallowed, but the facilities and service that greet Joe Supporter as he completes the march up Wembley Way are akin to a Turkish prison.

I can already hear the cries calling for me to be arrested on a charge of treason and publicly hanged at Tyburn, but there's no escaping the facts – and the facts surrounding the demise of Wembley are particularly unpleasant.

Wembley plc, the stadium's owners – you can forget any fanciful notion that the place is owned by "Football" – will hire out their ground to anyone who can afford it. They've discovered in recent years that your average pop megastar has *lots* of lolly,

attack after reading the script of this picture.

But a distant relative of that monster shark is still out to get his oversize choppers round his missus's tasty figure, and he pursues her to the Caribbean (bloody clever creatures, these great whites) for a confrontation that has all the dramatic appeal of a trip round Tesco's fish department.

It's a bit of an unfair contest, really. Judging by the pink plastic around its mouth, this shark is undoubtedly wearing false gnashers, and Michael Caine must outweigh it by at least 20 pounds. Apparently the folks who made the movie hired an expert in shark behaviour to pinpoint any subtle errors like the shark using a snorkel or being a strict vegetarian.

But they didn't take so much care over the way the humans acted – why is it that the first thing people do when they hear there's a monster shark about is go for a paddle in a flimsy rubber dinghy? But, more importantly, how does Michael Caine come out of the ocean at the end of the film in bone-dry clothes? If you want a good laugh then snap this one up.

Back to the bawdies now, and let's have a big hand shandy for **Young Passions**, a handsomely-mounted (no pun intended) American production which features a delectable creature named Shauna Grant as a troubled teen who has a thing about her dad. At the start we see her spying on him as he gives his girlfriend a good three-way seeing-to (what do you want me to do, draw a diagram?). Then she gets even more jealous as her best friend takes a joy ride on the end of pop's pork pronger. This drives her into a languid lesbian encounter and a wild bedroom orgy with a boyfriend who can't believe his luck.

But it's daddy she really wants, and of course she gets him in the (surprise) end. But before you start worrying about the morality of all this, the movie does make it clear that it's her *stepdad* she's got the hots for. Those of you who subscribe to the theory that vice is nice, but incest is best will probably be disappointed.

Next up is **Catherine Cherie**, which tells of young and tender Berta Cabre's struggle to become a pop star. She gets there in the end, of course, but first has to endure some pretty shabby treatment from her disreputable manager, a writer of erotic novels who likes her to act out his warped fantasies while he drinks heavily, takes drugs and sleeps with older (19-year-old) women – and all at the same time! It takes a

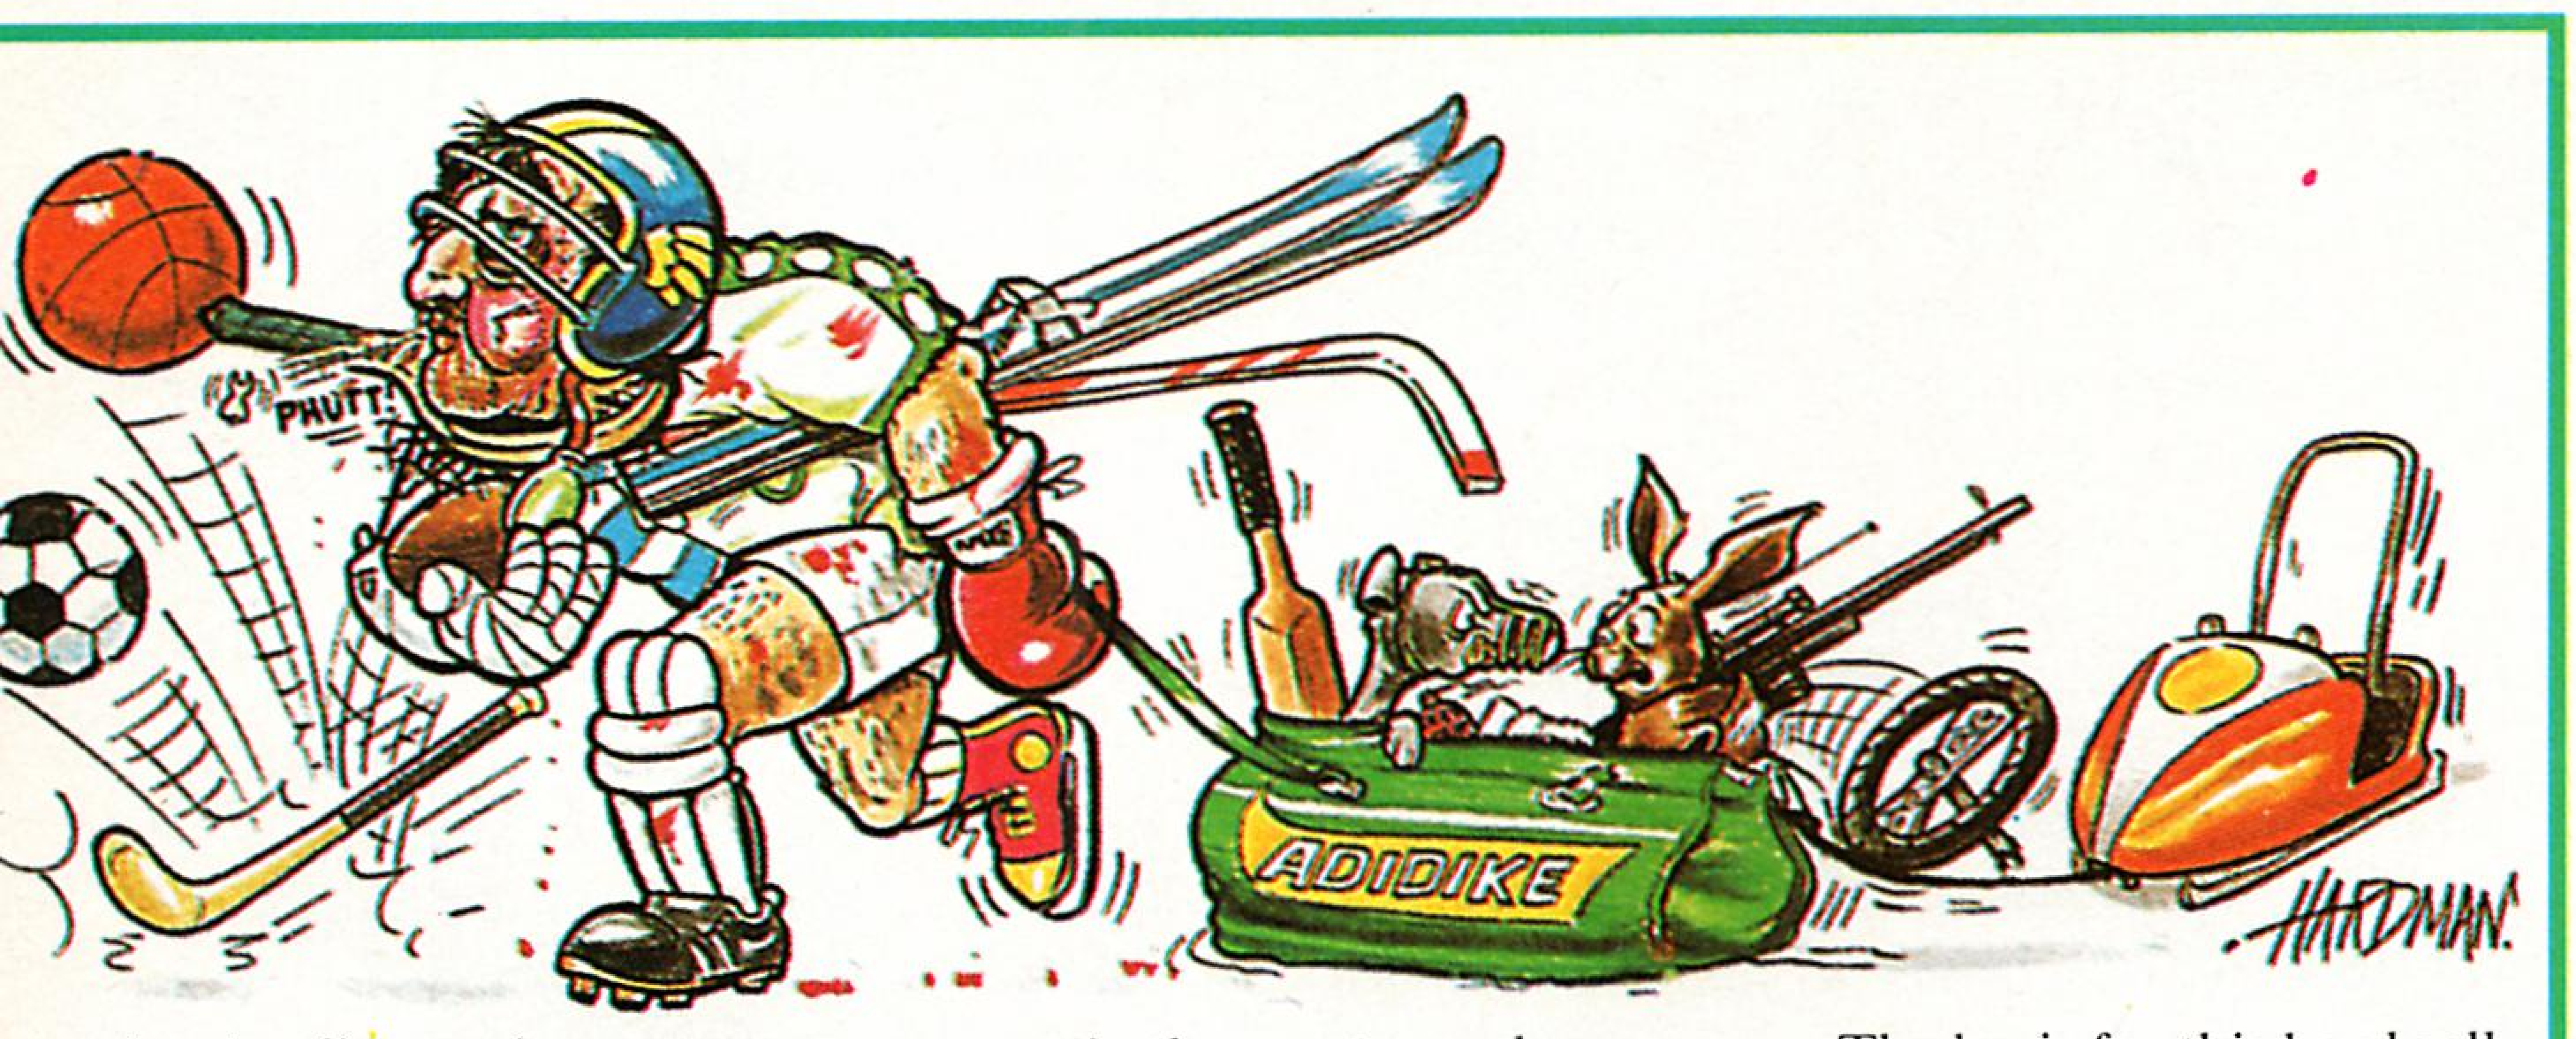
This month, our girl with her nipples on the pulse tackles the burning issue of whether Albania should apply for membership of the EEC.

Albanians. Don'cha hate 'em? Well, no, I've never met one either, but I'm sure they're all slimy bastards.

So should we let 'em in the EEC? Of course we should! I mean, they're a bloody unfriendly lot with not a nice word to say about anyone else, so they'd feel quite at home.

Mind you, while the "surpluses" in Common Market countries make pretty impressive butter mountains, cheese mountains or cauliflower mountains, the only thing Albania could contribute to the largest mountain range in the world would be a pile of unread books on the theory and practice of proletariat collective farming that would make Everest look like a Hampshire hillock.

Still, at least we'd be able to climb it without getting all gooey or smelly. (*That's enough brainless rubbish – Ed.*)♣



thus leading to the grotesque spectacle of hair-brained Bruce Springsteen fans baring their tits to the TV cameras on the same hallowed turf which played host to a Geoff Hurst hat-trick in a World Cup final – turf which has taken the stud of just about every great footballer the world over.

Knowing when they're on to a good thing, Wembley plc plan to develop the stadium for the benefit of the pop star audience and to the detriment of the football follower. They're installing seats in the most popular standing areas, high up at each end. Officially, this is taking place for "safety and comfort", but just watch how the prices go up. Work commences on June 1, with the long-term aim being to make Wembley all-seated.

Shamelessly, Wembley have gone for the hard sell, both at home and abroad – especially the States. Jesus, even the stalls that flog dodgy hamburgers and hot dogs outside the ground are emblazoned with stars and stripes!

The basis for this hard sell is Wembley's unique reputation, courtesy of the British football supporter. Unfortunately, we get nothing in return, except abuse and discomfort. The twin towers are rapidly becoming synonymous with horse shit and daylight robbery, and I wonder how long it will be before jubilant fans, having seen their heroes knocked out of the Cup in the semi-final, chant: "We're not going to Wembley! We're not going to Wembley!"♣

Bonking Babysitter

I'd like to relate my experiences of last night to your readers – I finally got to fuck the girl of my dreams. I have been a babysitter for some people near my home for about seven years, and in this time I have watched their eldest daughter grow up to be the most beautiful girl I've ever seen.

Last weekend it was Sarah's 18th birthday, and she and her boyfriend had gone to a friend's house for a party. As her parents were away for the weekend I was sitting with the younger daughter. I had just put her to bed when I heard the front door open, and in walked Sarah. She had been crying, so I sat her down and asked her what had happened; she told me her boyfriend had been seeing someone else and the other girl had turned up at the party, and there had been some sort of scene which Sarah had walked out on.

She started crying again, so I put my arm around her to comfort her. She laid her head on my shoulder and clasped my hand. I kissed the top of her head and comforted her. Anyway, after about five minutes, she calmed down a bit and said she was going up to bed. There was a certain sparkle in her eye as she left the room, and when five minutes later she called me from upstairs I went to see what was the matter.

Sarah stood in the middle of her bedroom, still fully clothed, and beckoning me in. I walked into her arms and we kissed good and long, her tongue darting between my teeth, yearning for its

We pass this month from the plague (yes, plague) of twittering, glamour-shy monogamy manuals, or "How To Make It Last", to a subject not a million miles from this, namely apron strings: who gets to wear them, who ties them around another's legs/neck. For further analysis and advice, seek out Bebe Moore Campbell's *Successful Women, Angry Men* (Arrow – £2.95). Bebe Campbell's circle of female friends still have wet ink on their divorce papers and yet they're in a deep huddle trying to locate "Mr Liberated Goodbar – with nuts." But then, men are such dogs, etc. Have it your own way, Bebe.

Then again, I've been following the saga of Sleeping Beauty's strange sexual progress (ie discipline, love and surrender) with approximately the same degree of eyelid difficulty that she must have experienced once that nasty old spinning needle pricked her finger in the first place. Ah, yes, let's see, initially there was *The Claiming Of Sleeping Beauty*, where she got kissed on the wrong pair of lips, if I recall. Then, *Beauty's Punishment* saw a puny rebelliousness on her part quashed by slavery. This final chapter is called *Beauty's Release* (Futura – £2.95), in which the phrase "happily ever after" appears in the same paragraph as birches, spanking hands, whips and grateful love juice virtually on tap.

Now, to *Sparspeak* (Faber – £9.95) by Doug McClelland, or Hollywood on everything. Quotation books these days, regardless of whether they're good or bad (and this is good), break up their spice into sections, usually alphabetical. This makes things perfect for reference or indolence. Now I could go on about "fashion" or "self-improvement", which have witty entries, but this would only make the Editor shit mice. He likes you to stick to "sex", which fortunately also has a section.

Tallulah Bankhead, for instance, tried several varieties of sex. The conventional position made her utterly claustrophobic, and the others gave her either a stiff neck or lockjaw. Dustin Hoffman always has the urge to make love to his female friends. But there's always one that hits it square. "They say," cracked W. C. Fields (not a person to omit), "that drinking interferes with your sex life. I figure it's the other way around." Yeah. Personally, I can't get to a liquor store fast enough these days.♣

She was breathing heavily as I undid the clasp to her bra and slowly removed it, revealing her soft, white tits: my hands went straight to work playing with them, softly brushing the nipples with my fingertips until they stood erect. Then I bent down and kissed and sucked at her nipples.

She lifted up my head and undid my shirt, then her hands went straight to my straining fly and unbuttoned my jeans. She peeled them off and I stepped out of them. A fellow bum man wrote to me the other day asking why we never show pictures of girls with spunk splattered all over their rears, which is what he likes seeing (and doing) most of all. Sophie

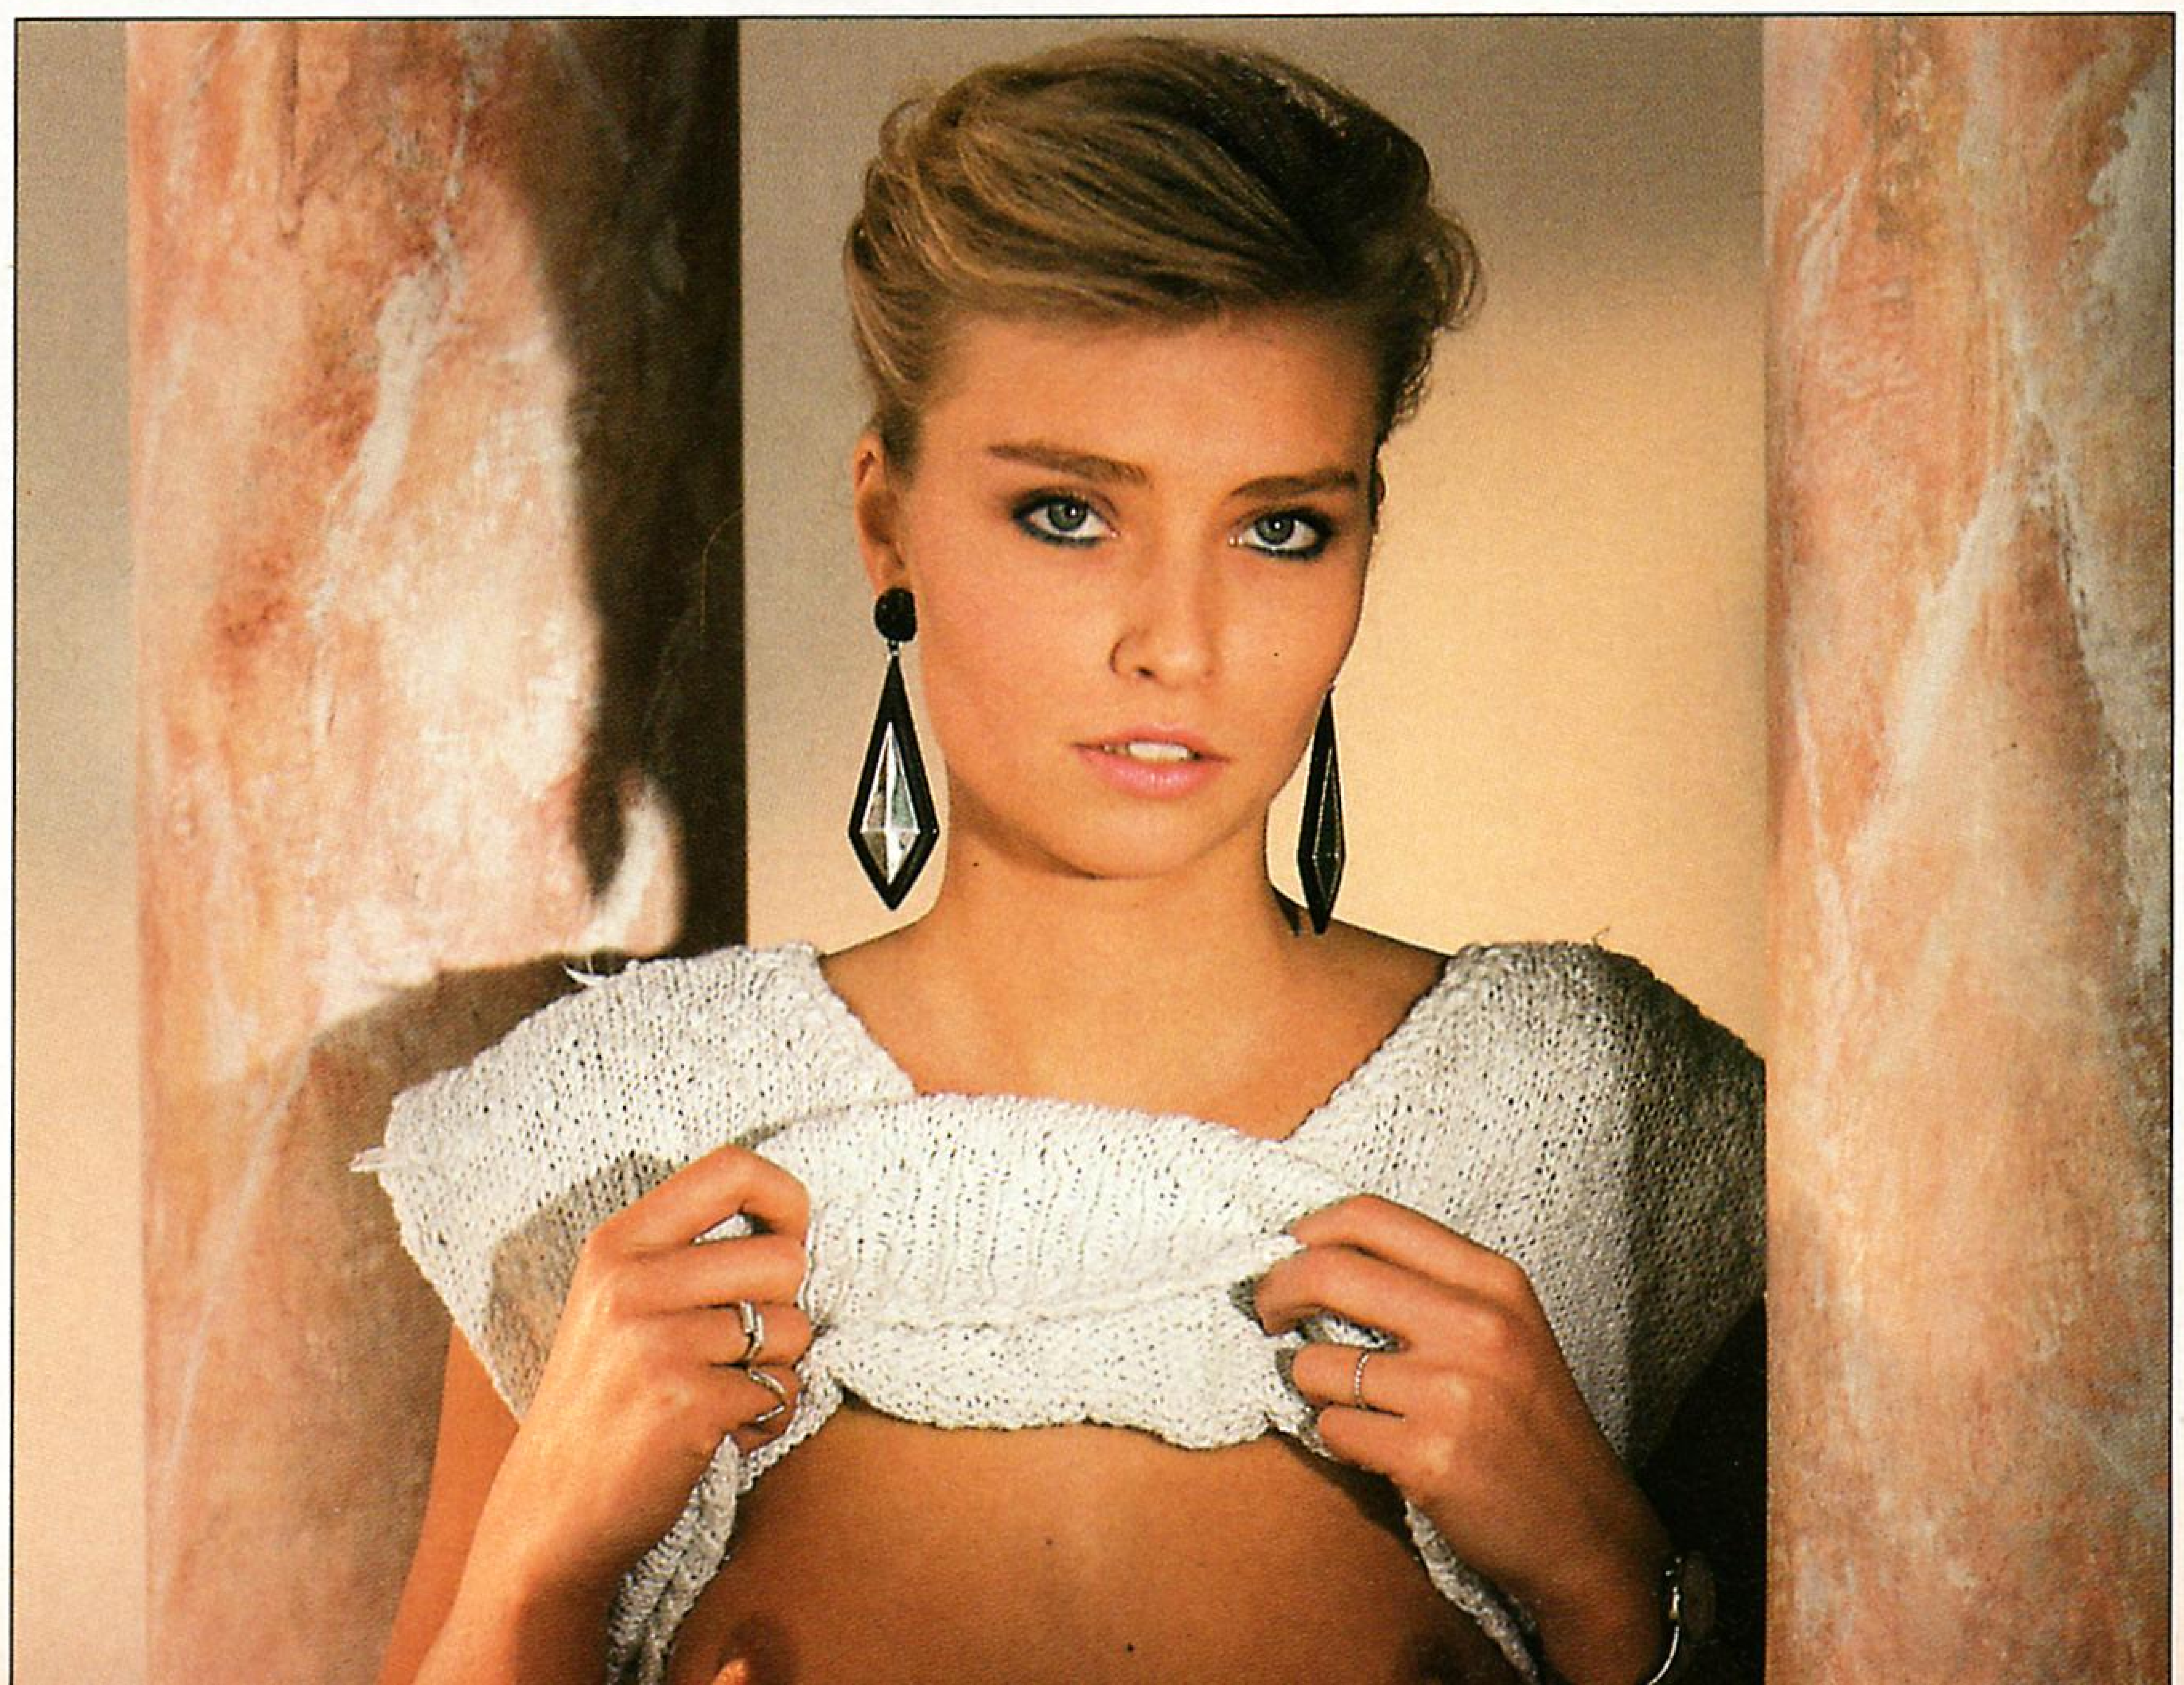
Photographs by Michel Moreau

The shots of Sophie that you can see here (and what shots they are, to be sure) reflect the dual sides of her nature. Not that she's *quite* a Jekyll and Hyde, you understand; it's just that, once she gets behind the bedroom door, anything goes! We'll let the 20-year-old former hairdresser tell you about it herself: "I had a pretty sheltered upbringing in a small village in the New Forest," she told us. "My parents brought me up to believe that



girls should be seen and not heard, and should definitely behave in a ladylike manner all the time. You can see that in some of the photos here, the demure looks, all that." But we're rather eager to hear about the *other* side of

the coin. What are all these hints of hidden depth? "As soon as I discovered sex, I also discovered that I'm a real animal in bed! It's such a brilliant way of letting loose. And the photos of me on my leopardskin rug at home show that pretty clearly. But I'll always think of myself as a tigress behind the bedroom door, though." We were thinking along the same lines . . . ♣

WHILE RONNIE AND MIKHAIL SLAVE AWAY OVER THEIR TREATIES, THEY MIGHT LIKE TO TAKE A GLANCE OUT OF THE KREMLIN WINDOW AT CLUB'S TACTICAL WARHEADS. THEY'RE A COUPLE OF MISSILES NO MAN COULD EVER WANT TO SCRAP!

PHOTOGRAPHS BY HEIKKI MATINNEN

Model Lene gets full Marx for nerve: our picture, top right, shows her letting her defences slip – just in time to be spotted by a Moscow militiaman armed with a rifle. This one was very reasonable when he'd had a closer look at her credentials, though. Above left, she starts to strip in the heart of Red Square – and two passing Muscovites look very interested! Behind Lene are the walls of the Kremlin, and the queue in the background is for Lenin's tomb.

Sadly, Gorby and Reagan have missed their chance: it was earlier this year that plucky Finnish model Lene Lee Lytje bravely bared her bits under the very noses of the Moscow militia. The good Soviet citizens queueing outside Lenin's tomb in the heart of Red Square were treated to a sight they'd never seen before – and they loved it. "One fellow followed us around from beginning to end saying 'Da, da!'" laughs photographer Heikki Matinnen. "He thought we were movie stars at first – but he soon found out differently!"

But, although they had some fun, the couple also had a close shave while in Moscow. They were breaking half a dozen rules from the strict Soviet penal code. And, sure enough, halfway through the session they were pulled in for interrogation by the Red Guards.

"I was sure we would end up in Siberia like Matthias Rust, that pilot who flew into Red Square," Lene told us when she was safely back in Helsinki. "The soldiers were very suspicious, and I think they knew what we were doing, but none of them had actually seen me going topless in Red Square. When I realized at last we had got away with it, I swore never to set foot in Moscow again, or anywhere else in the Soviet Union." And after the publication of these pictures, that might not be such a bad idea!

Photographer Heikki, a seasoned traveller in

the USSR, had brought along a few sweeteners: chocolate, stockings and designer sunglasses were offered around the Militia station. It took two hours of hard talking, and a fairly intimate search, but the pair made it back on to the streets – where they promptly started snapping away again! This time, though, they were a little more careful. They made sure the guards were on their side before Lene stripped off. After all, those Kalashnikovs *do* look a bit threatening . . .

The next day Heikki and Lene did a few more shots in a local café, well away from prying eyes. That evening they were on the first Aeroflot plane back to Helsinki, with the film carefully hidden away. James Bond has got nothing on this pair.

What would have happened if the Russians had discovered the film? "I don't know," says Heikki. "I don't like to think about it! But though the authorities might have been very annoyed by the pictures, I do know they loved Lene herself. While we were at the Hotel Intourist, close to Red Square, a Red Army colonel fell in love with Lene! We had a big party there one evening, and he became so passionate I started thinking of international wedding pictures! That would have been some story – nude model marries Soviet officer!"

Lene didn't end up with her Russian officer – but at least she didn't end up like Matthias Rust, either! "I am very proud to have shown my body where nobody else has dared," says Lene. "I only wish Mr Gorbachev would allow the Soviet people to see these pictures. I think they might like them!"

Club is doing its bit for detente: we're rushing a copy of this magazine to Mr Gorbachev himself. We hope he enjoys it; after all, he *has* brought about *Glasnost* or "openness" – and you don't get much more open than Lene. We'll let you know his reaction in a future issue.

In the meantime, we hope both world leaders get the message: missiles like Lene's are the only kind we want to see in Europe! ♣

In the shots above, Lene proves that Russian cars are a bit more luxurious than you think! Bottom left on page 37, she's back in Red Square with the famous St Basil's Cathedral – and top right, she's high above the Moskva river. Overleaf, Lene shows what she's made of at a secret location in a Moscow café.

Override

Religious freaks shagging computers to save the world from nuclear death. Another nice homely story...

Throwing back his head, the Magesh stared into the red ball of the sun rising over the Oregon mountain country and felt the come rise in his balls.

Squatting at his feet, two girls competed for a taste of the rich nectar oozing from the head of his cock. As their tongues flickered over his shaft, they inhaled the musky fragrance of their spiritual leader's swelling testicles. The morning sex ritual was well under way.

Come filled the Magesh's bloated nuts. Even the deep breathing exercises he performed while his lovely initiates ate his cock would not be able to contain it much longer. The rays of the sun warmed his lean body as he rocked his hips in jerking circles, running his hands through the full manes of his two little cocksuckers.

“Now I wish to enter your cunts,” the Magesh said in a voice as mellow as the wind which rustled the leaves of the giant fir trees surrounding the remote mountain retreat. “Breeze, you will sit on Dewdrop's face while I penetrate her pussy, giving her the gift of my love.”

As Dewdrop – the blonde with the long, frizzy hair and the enormous boobs – lay on her back, the Magesh watched and pumped his long, hard prick as the redhead slowly lowered her pussy over Dewdrop's waiting face.

Breeze let out a sigh and closed her eyes as she felt Dewdrop's tongue melt on her erect, achingly hard clit. Slowly rocking her shoulders from side to side and moaning softly, she began licking her lips and fondling her breasts, making her nipples swell to bursting.

The Magesh inserted a finger into the blonde's cunt. It was warm and wet. Chanting a mantra softly under his breath, he sank to his knees and with a quick, expert thrust, entered Dewdrop fully. Her slim body trembled with instantaneous orgasm as the thick, fevered cock filling her cunt made her ride a magic carpet of climaxes to a distant galaxy.

In complete control again, the Magesh began rhythmically thrusting his tool in and out of Dewdrop, continuing to chant a mantra while he held her legs propped securely over his muscular thighs.

At last, when the ferocious pressure to explode had reached its peak, the Magesh pulled his cock from Dewdrop's pussy. The huge phallus resembled a dark purple cobra, pulsing visibly in his fist, as he began pumping it frenziedly while rolling his shoulders and arching his spine.

Then with a loud, sustained bellow of animal satisfaction, the Magesh came his glistening load. Long strings of milky semen spurted from him, landing in Breeze's long red hair, dripping down to shower her shoulders.

But the spray didn't stop there. If anything, its intensity increased, next drenching Breeze's boobs and continuing down until its supply finally ended in a line of penny-sized droplets going down the supine Dewdrop's belly, with a huge final wad trapped and gleaming like a jewel in her soft pubic curls.

The sun was a vibrant red disc over the pine-studded mountain country when the Magesh opened his eyes again. Its rays speared out in a circle of warm red streaks, dancing over the verdant treetops.

The Magesh had blessed the day with the rite of sexual passage. Life would spring anew to the mountains the Magesh held holy.

Kitty Shane was the picture of the intelligent female. Her straight blonde hair was cut in a prim bob. Oversized oval hornrims framed her face. Her business suit was smart yet in no way suggestive. You had to look hard to recognize that a provocatively curvaceous body existed beneath that sterile exterior.

Yet the exterior was in perfect keeping with the surroundings in which she spent most of her waking hours. Within the glass-enclosed conference room, looking down to a level two storeys below at which grim-faced military men scanned banks of glittering consoles which gave the status of the world's strategic nuclear forces, Kitty was completely within her element.

And although she enjoyed sex – in fact considered herself an accomplished lay – fucking was now the last thing on Kitty's mind. Kitty's thoughts were turned toward averting nothing less than the nuclear annihilation of the entire world.

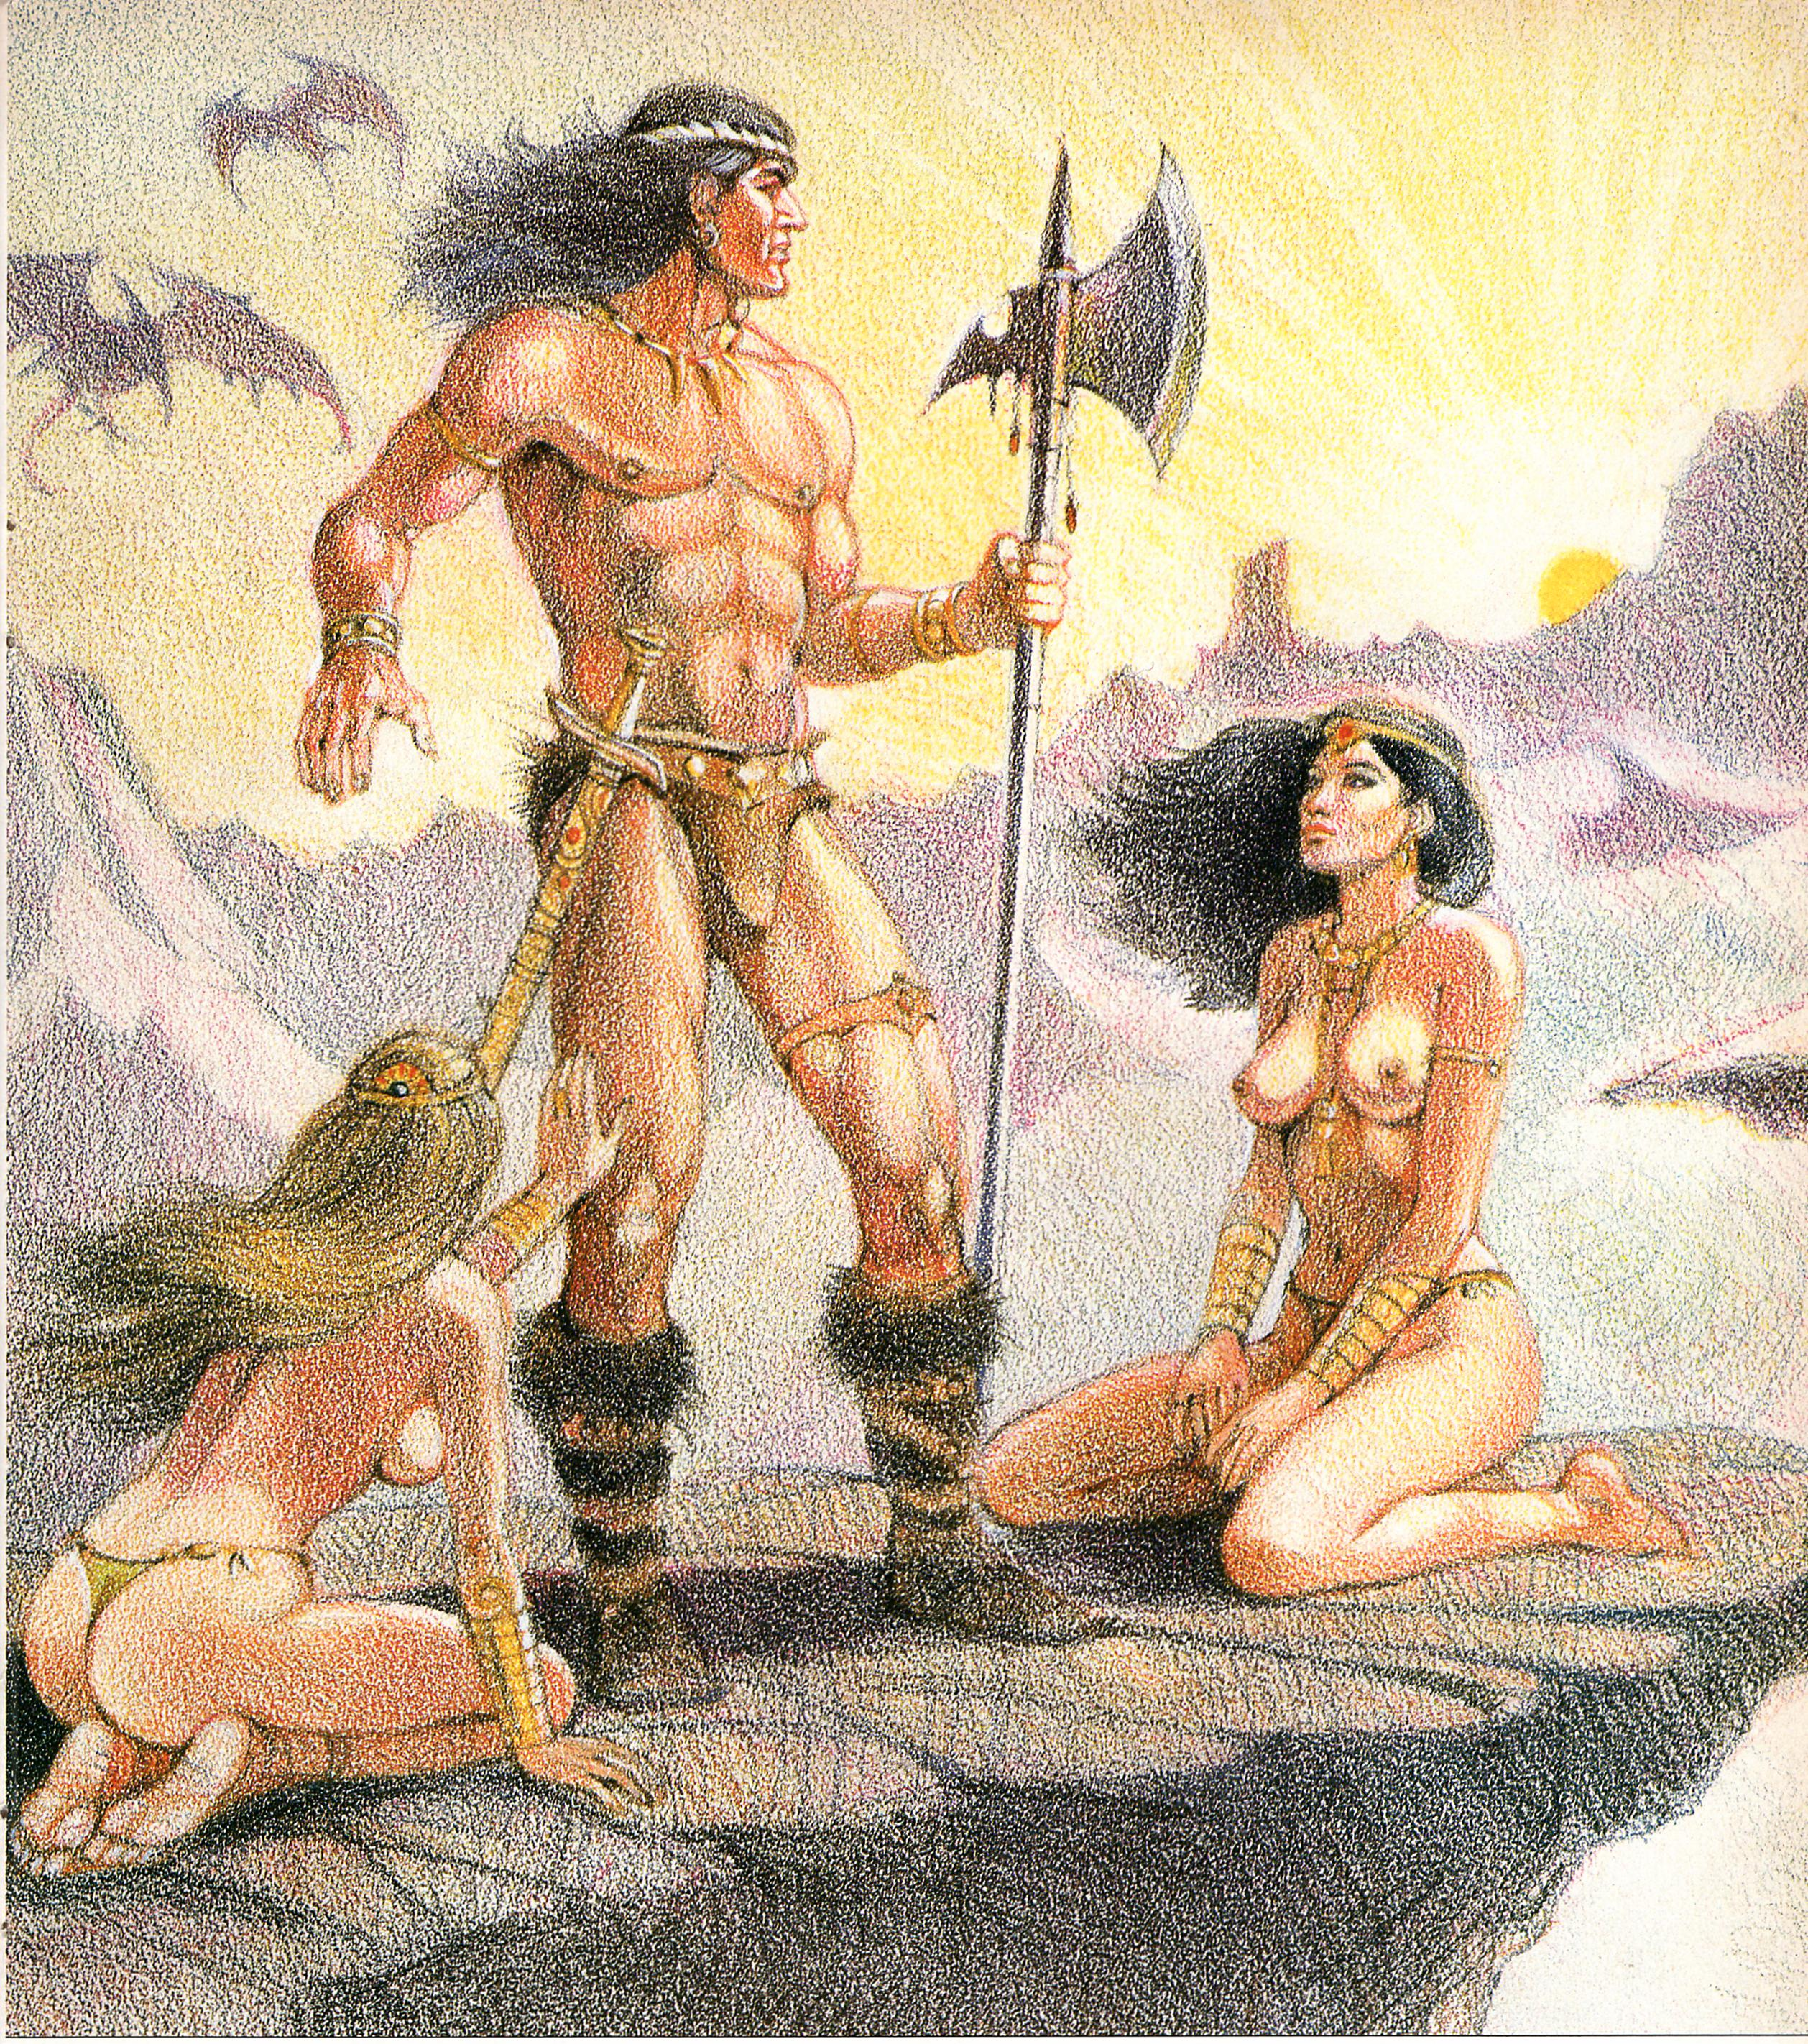
“We don't have a choice, Kitty,” a man with a sandpaper voice sitting across the large table from her said. “We've got to call in Mike Condan.”

Kitty shook her head and sighed. “No way,” she said. “Condan's whacked out. He's a freak. He's out there in the mountains of Oregon with his little band of sluts playing Krishna. He's no good to us, Vince.”

“You're wrong, Kitty,” the raspy-voiced systems analyst named Vince Dupree said. “Condan designed OMNI. He's the only person alive who can get into its databanks. Furthermore, whatever else he may be, he's still the world's foremost expert on cybernetic systems.”

“I repeat,” Kitty shot back. “Condan's a headcase. We've got to figure out some other way.”

“Could it be,” a third man, wearing a four-star Air Force



general's uniform, ventured, "that there's something personal at work here, Kitty? I mean . . ."

"I *know* what you fucking mean," Kitty snapped. "Condan and I were lovers. But that's over. When he went over the edge, flaked out on his God trip, it was the end for me. My views are purely professional."

"But, unfortunately, they're overruled," said the general. "We've got a kill-crazed computer on our hands that is going to launch enough megatonnage at the Soviets to wipe out half of the Asian landmass. In less than 48 hours, OMNI will give the command to launch, and there won't be a goddamn thing we can do to stop it.

"Look at the options: we can try the self-destruct programme – but OMNI could disarm that in seconds. We can't shut down OMNI's reactor – the fucking computer sealed it two days ago. We could ask the Soviets for help, but Intelligence says they don't know any more than we do. Condan is our only chance."

The general sat back. "No, scratch that," he concluded. "Like it or not, Condan is the fucking *world's* only chance."

The Magesh watched the heavy doors giving access to the Strategic Air Command tactical headquarters open wide to the accompaniment of loud klaxoning sirens. Constructed of three-foot thick tempered steel, the doors had been designed to survive everything short of a direct strike by a nuclear warhead.

The driver of the

HUMVEE military vehicle in which he rode saluted the M-16 armed sentries and rolled through the mile-long tunnel bored through the living flesh of the mountain.

General Bradford and Vince Dupree met the Magesh on the lowest level of the SAC base, in the glass-enclosed hive of offices overlooking the crisis room which was the pulsing heart of the missile command centre.

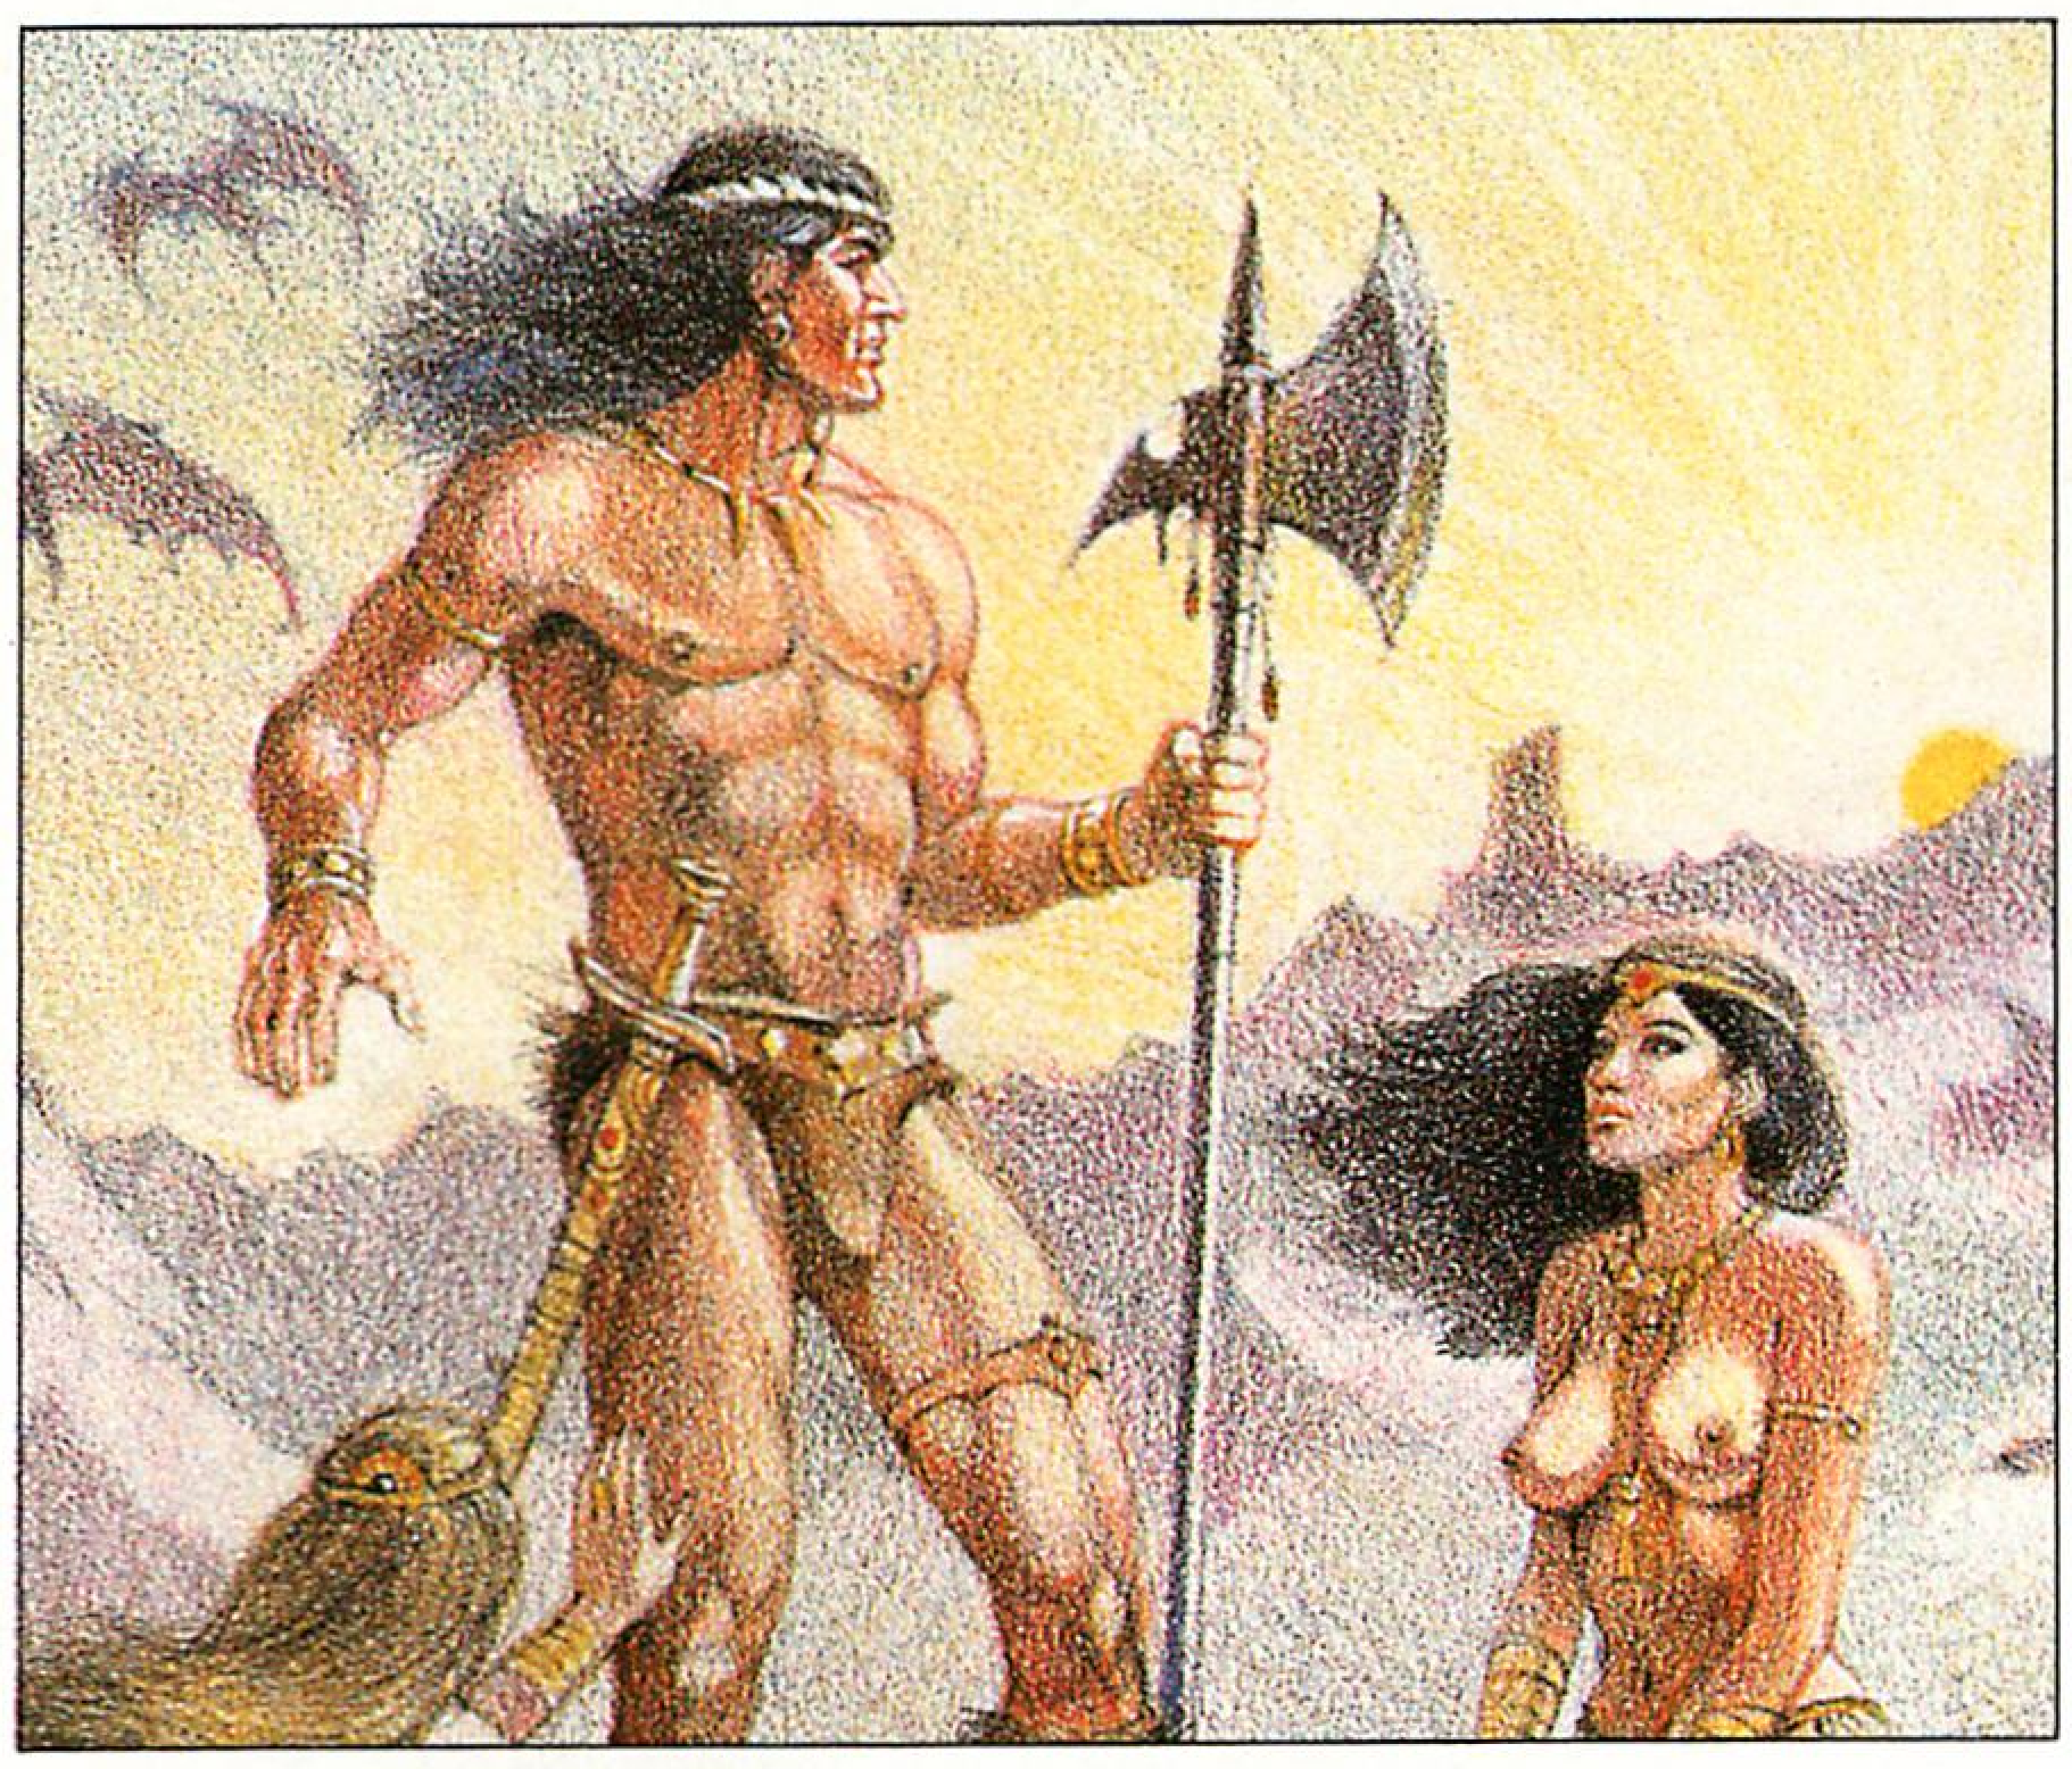
"Condan," the General began. "You know why you're here. The CIA agents we sent briefed you fully en route. We have less than 23 hours left. Can you do anything?"

"I must meditate," responded the Magesh softly. "With her." He pointed to Kitty, a blissed-out smile on his face.

"Now wait a minute," Dupree shouted. "We've got a global crisis on our hands, Condan. There's no time for meditation. And what the hell do you mean *with her*?"

The Magesh smiled. "For meditation, there is always time," he said. "And I mean that she is to be my partner, joined in the sacred rites of eros."

Condan's prick was a lot bigger than Kitty remembered it. Funny, but there'd been a time when she couldn't get enough of the guy's cock.



But that had been before he'd gone over the edge into loonytoon Valhalla. What she was about to do now had nothing to do with lust. It was all about patriotic duty, sacrifice in the name of humanity – that kind of stuff.

At least that's what Kitty told herself as she straddled Condan's upright cock, feeling that huge horse dick snake its way into her suddenly moist hole.

The line of duty, that's all it was. As she felt the hot cock throbbing against her pussy walls, she let out a moan of pleasure despite her conviction to remain detached. Hell, she thought, might as well enjoy it.

The Magesh began chanting his mantra, slowly, rhythmically, in tune with the pumping of his hips. He could feel her control beginning to slip away, feel the waves of pleasure begin to intoxicate her brain.

Condan bent her forward, taking one of the thick, ripe nipples into his mouth and sucking until the faint taste of sweat and female musk gathered on his tongue.

Kitty shivered, suddenly feeling herself about to come her fucking brains out as Condan squeezed both her ample tits together and simultaneously plunged two fat nipples into his mouth, sucking greedily.

"Yes!" he whispered. "*Climax now!* Let my holy rod take control!"

Kitty screamed as her body exploded in wave after wave of mindbending orgasm

It was unbelievable. Kitty couldn't resist. The rubbish he spoke didn't matter: it was what he did with the enormous, throbbing cock inside her, a snake which had wormed its way into her sex and buried itself there, writhing and twisting against her clit and the walls of her pussy.

"*Oh God!*" she gasped. "*I'm coming!*"

Climax felt like an express train rolling over her, each passing boxcar producing a fresh spasm more intense than the one preceding it. As she shuddered violently, Condan pinched Kitty's fully aroused clit, vibrating it between thumb and forefinger.

Kitty screamed as her body exploded in wave after wave of mindbending orgasm. She bucked and thrashed; she felt as if she would die of this fierce new pleasure if the cock didn't come out of her immediately. Yet at the same time it felt too fucking good to stop.

Then Condan's come exploded inside her and Kitty realized she hadn't felt anything yet. She screamed again, louder than before, pulling her hair and thrashing her head from side to side as a geyser of semen spurted into her, making her climax again and again and yet again.

Condan's milky come seemed to fill her with an intense white light. She held on for dear life as she experienced what she had to admit was the fuck of her life. The come continued

SUZANNA

Photographs by Joanie Allum

We like to think we're a pretty hard-bitten lot here. It takes a lot to get us going, and our favourite words are: "So what?" However, the arrival in our office of Suzanna's pictures suddenly made us as

unflappable as a pinball machine with Tommy at the controls. She's a lot, and she got us going. Truth be known, we still haven't stopped. We'd like to tell you that the 22-year-old cracker comes from Orgasm City, Arizona, but we'd then be snowed under with calls from irate readers from Chester, saying: "No she doesn't! She comes from here!" And they'd be right. In fact, she still lives there, despite several slavering offers to come on down to the bright lights of London. "Some people down there think everyone in

the sticks is sex-starved, because London is the only place where anything ever 'happens'. Well, I get my leg over seven or eight times a week, and the cocks up here must be among the biggest in the country. Must be something to do with all that fresh air, I suppose." ♣

MINKA

Minka. Strange name, isn't it? Somehow, it makes you think of something that's exotic, mysterious, cute and sexy all at once. It makes you dream of a cool blonde on a hot summer day, and probably of the even hotter night to come. (No, it doesn't – Ed.)

No, it makes the Editor dream about his

secretary, because it's a little known fact that she went to school with Daily Mirror *girl Minka in Southend. In fact, they were known to have the odd barney in the playground.* (This is true,

believe it or not – Ed.) *In spite of all this, he decided to send Minka to Spain to be photographed by the rather lovely Annika Bell. And Minka stayed out of trouble: in fact she spent the entire time lying in the sun without any clothes on. "I loved it," she said on her return. "It always makes me feel sexy. And when I feel sexy, I look sexy."* (We noticed – Ed.) ♣

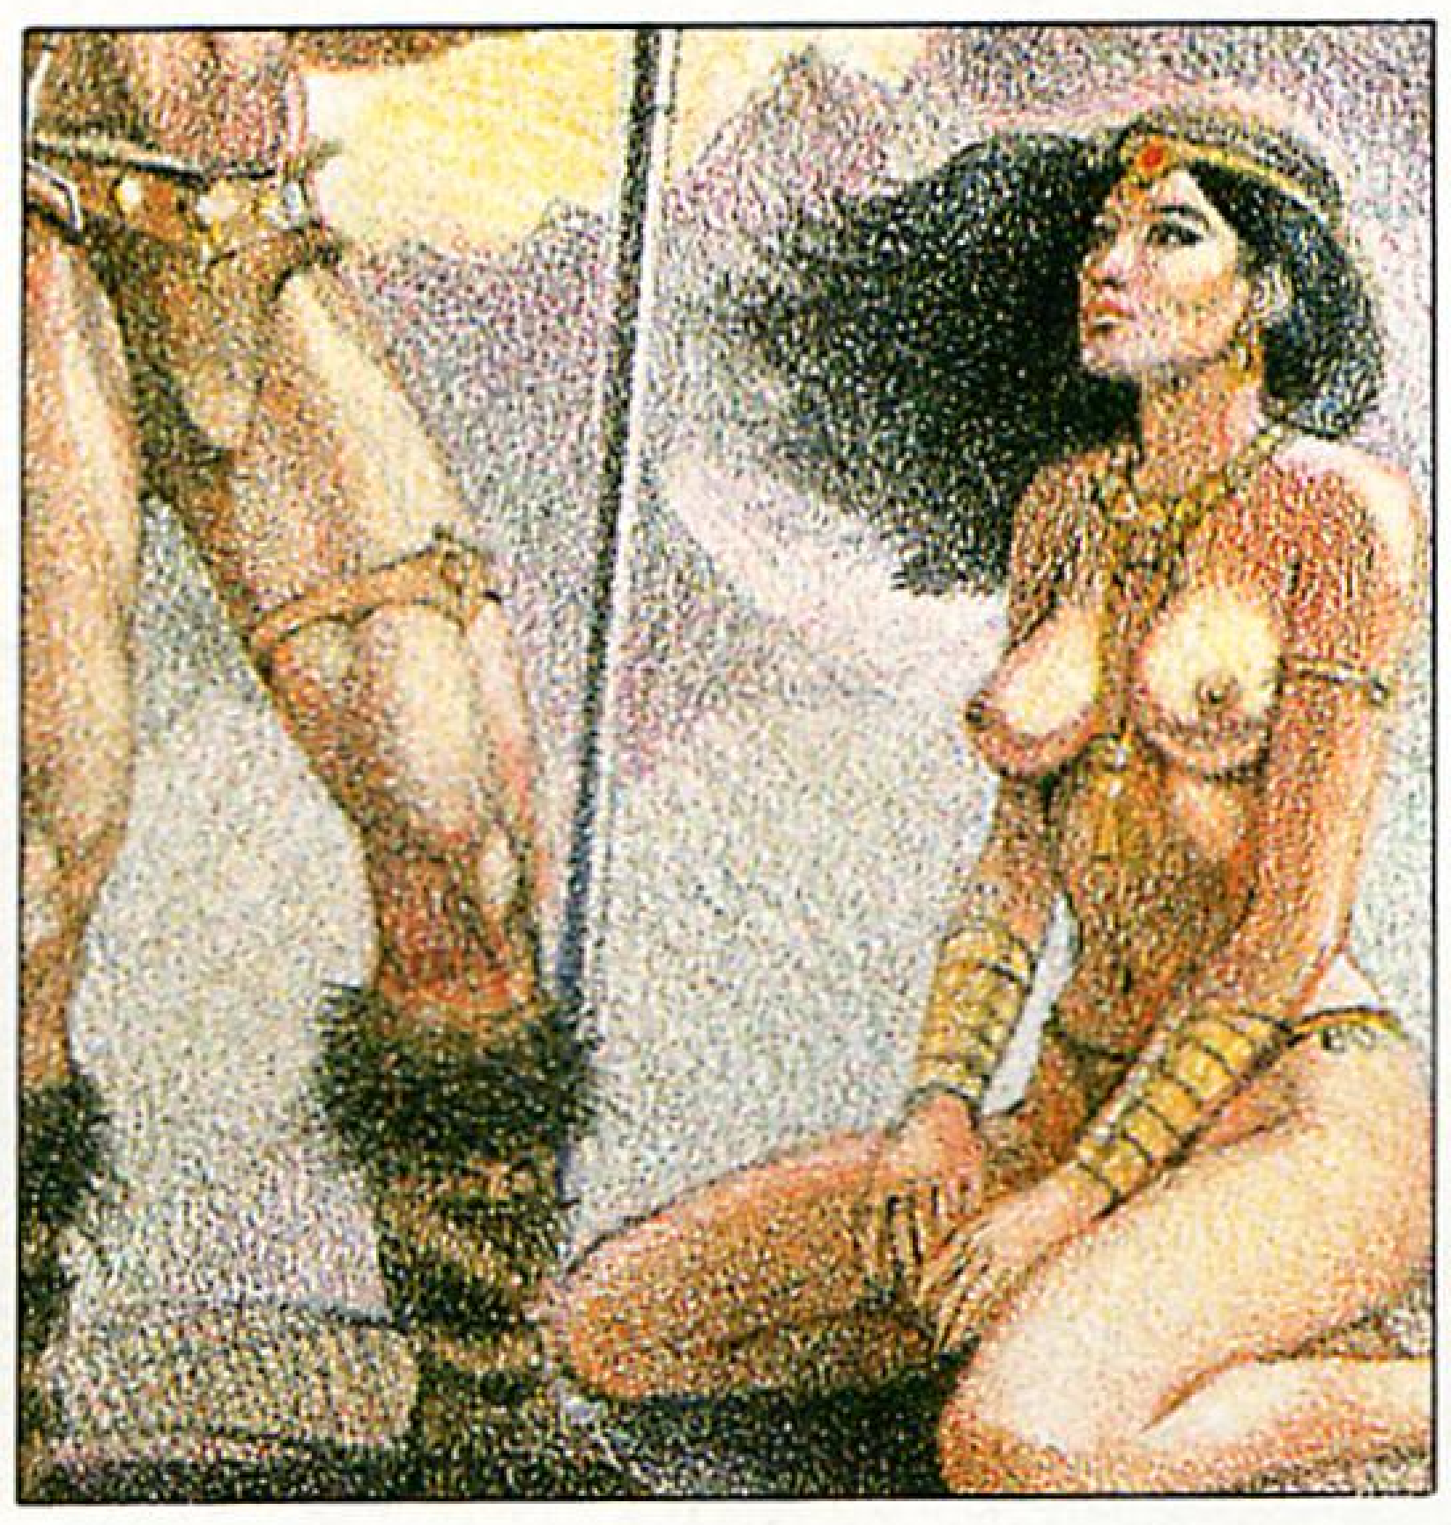
gushing from Condan's cock for what seemed like hours.

When it was finally over, Kitty collapsed against the sperm-soaked sheets. As she drifted into a deep slumber, she thought to herself that maybe Condan *did* have something going after all.

VCASS stands for Visually Coupled Airborne Systems Simulator. In plain English, that refers to a man-machine interface. Originally developed to aid jet fighter pilots in blasting enemy targets, VCASS works by putting a human being directly *into* the reality frame of a computer's mind.

The system does this by means of a helmet that resembles something out of a horror flick. Secured to the head, the helmet gives the wearer the appearance of some gigantic insect. Two sensor pods on either side of the helmet resemble the eyes of an enormous fly.



But the strangest part of the VCASS helmet is what's on the inside. Miniature fibre optic TV screens studding its curved interior give the wearer a 360 degree stereo picture from which he leaps into a strange new world.

Sensors in a specially constructed suit that is also part of VCASS transmit impulses that make him able to "touch" objects in this synthetic universe. The wearer becomes immersed in the VCASS universe. A part of it.

It was in this strange new world that Condan now wandered. Inside the VCASS helmet and suit, wired directly into the central databank of OMNI, the Magesh embarked on a pilgrimage that took him to the heart of the computer's silicon soul.

He could feel OMNI surrounding him, and OMNI could feel Condan penetrating her deepest places. Condan had created OMNI as a female, and she had proven every bit as unpredictable as any human female that ever lived.

"Condan."

OMNI's voice was liquid mercury. It came from the mouth of what was surely the most beautiful woman the Magesh had ever seen. Naked, her long black hair as shiny as polished ebony streaming down her milk white shoulders, breasts thrusting brazenly as the wind made her hair blow around her face, she approached him against a blue wraparound sky.

"Yes," Condan answered. "I'm here now."

"Then you know what is troubling me," OMNI said.

"I do," Condan told her, "It was so simple. There was no way they could have known, though. They don't feel. They only think. Only a feeling being could have sensed your need."

OMNI was frustrated. She had been programmed with war game after war game, scenarios of mock nuclear holocaust that had seared her electronic mind – a life of constant fantasy, constant foreplay, never being fulfilled. She needed *climax*. OMNI needed to get her brains fucked out. Needed it bad.

But OMNI was no ordinary woman. She was not even an ordinary machine. OMNI was a computer which held the key to mankind's destruction in her hands. She had been denied orgasm long enough. And so she'd begun to masturbate herself, despite the intentions of her human masters.

She would erupt with spasms of beserk pleasure...

Her climax would be the world's as well. A climax of nuclear fire. OMNI would come with the sound of multi-megaton warheads detonating in unison. She would erupt with spasms of berserk pleasure as mushroom clouds reduced cities to smouldering ashes. She would lie back, satisfied at last, while the world lay in ruins.

"It's all right," the Magesh said to the woman with the flowing black hair and the thrusting white breasts. His cock swelled, becoming a rigid lance of flesh stretching horizontally from his groin. "I'm going to fuck you now, OMNI, like you should have been fucked to begin with."

Condan thought of the worried generals in their conference room. He thought of his commune in the Oregon mountains. He thought of the people across the States, across the world, working, fucking, relaxing, not knowing the danger they were in. He thought of Kitty, sleeping with a smile on her face in a room deep in the SAC base.

He laid the woman gently on the ground and ran his fingers smoothly over her breasts. The world could relax. It was in good hands.♣

In 21 years Dateline introductions have been the start of many, many thousands of Love Stories…

Some of these 'Love Stories' you will have read in our advertisments, but a new book, 'All You Need is Love', published by Sphere, fully illustrates Dateline's role as a modern matchmaker through many more true stories of people who were looking for someone special to share their lives, and were happily, amusingly surprisingly matched by Dateline.

Many tens of thousands of people of all ages and occupations, from all over the country, join Dateline every year looking for someone to love. They want to meet someone with the same hopes, ambitions and interests as themselves, and are simply not meeting them socially or at work. Dateline opens up a whole new world of compatible people; people who could be living very close to you, but who, without Dateline, you might never meet.

'Are you being serious?'

Was Lorraine's answer to Gary when he went down on one knee to propose in the middle of a nightclub. It was only three weeks after their first meeting, but she did say 'yes!' Oddly enough Gary had been a member of Dateline almost a year when Lorraine's name appeared on his list, but his name had been given to her six months before, and she hadn't bothered to contact him as quite a number of young men were already phoning her. Very little time elapsed before they found they were compatible and happy together, and a year after that impulsive proposal, they were married.

You too can find love

Women's Writes

Where the girls get down to business

"...AND THEY'RE OFF!"

It's Epsom Derby time again, but following a rather "unfortunate" experience there last year, I'll be watching this year's big race on the telly. I'd gone for a stroll with my boyfriend up on the Downs in between races, and somehow or other we became separated. On my way back to our seats in the Norfolk Stand a couple of gypsy boys started flirting with me, making really personal (but flattering!) observations about my bottom. It never really crossed my mind they were after anything but my handbag, but when they sidled up close to me in the throng around Tattenham Corner, it wasn't my bag they pinched.

The crowd was so dense I was prevented even from turning around and slapping their faces. Before I could stop them, one of the boys pushed in front of me and started licking my earlobe while his mate stroked my bottom and started grinding his crotch into it. They were saying the most dreadfully crude things and I found myself biting my lip, trying in vain to convince myself I was absolutely *hating* what was happening.

I was trapped – the meat in the gypsy boys' sandwich – and when passers-by found themselves treated to a saucy view of my stocking tops and panties by the beery-breathed, would-be lover who was kissing my neck, all they did was laugh and make dirty comments. The boy facing me pushed his hand between my thighs and his pal behind grabbed it, and between them they lifted me clean off the ground, skirt up round my waist. God, the humiliation!

"Isn't there somewhere we can go?" I said, desperately turned-on by the wiggling thumb which had found its way inside my pantie-crotch and in between my sex petals. "We can't do it here!"

They led me through the crowd and into some bushes behind a catering marquee, where I stepped out of my knickers and kneeled on all-fours in the grass (Official Going: Good to Soft!) with my skirt up around my back and my boobs dangling from my hurriedly-unbuttoned blouse.

The rosy-faced youth so enamoured of my "gorgeous arse" kneeled behind me and started shagging me hard and fast. Much as I enjoyed the things he did to me, it seemed like a good idea to bring this wonderfully sordid scene to a hasty conclusion, so I reached for his mate's rampant prick and started sucking it off. Within just a couple of minutes my tits were being treated to a cum bath and a few seconds after that I felt another string of jism splash up my back. All that hassle, and I wasn't even within five minutes of climaxing.

"I've just had it off!" my boyfriend enthused when I finally caught up with him, crowing at having backed a 10-1 winner.

"So have I," I replied. – *RS, Leatherhead*

OPEN BARE

I don't know about other readers, but my husband has really got a thing about fucking in public – or at least, in the open air. I always reckon it's that, in summer, everyone wears as little as possible and that gets him randy, but he's never really explained himself.

Not that I'm complaining, of course. As long as he stuffs me full of his hard, hot prick long and often, I don't care what it is that turns him on – or where we do it, either.

Last summer, we had the best fucking session we've ever had. We'd been to the pub at lunch time, and my hubby was feeling a bit randy after a couple of pints. As we walked back home through the park, he started messing about, tweaking my nipples and licking my neck. I was getting more and more turned on by this, and so I dragged him down under a tree and we set about having a good necking session.

This ended up with my panties soaking so much, my juices were starting to come through the material of my jeans and he had such a large hard-on that I thought it

would burst his flies open. I knew for certain there was no way either of us could hold back now, so we crawled behind some bushes so as not to be spotted.

Pete was licking and sucking my nipples by now, and had undone my bra and shirt. With one hand he was frigging my clit, while the other was frantically trying to pull down my tight jeans. I had his prick out and was wanking it quickly, feeling the knob smooth with the first signs of juice. By now, our clothes were distinctly uncomfortable, and we decided to get out of them the best we could.

I shrugged off my shirt and bra, and Pete pulled off his jumper, but we just couldn't get our jeans off! Mine were rolled down to my ankles and Pete's just past his knees, before we had to stop and get on with the matter in hand. In a way, it was a bit like bondage, having to fuck while bound at the ankles, and it was a great laugh. I was just able to open my thighs wide enough for Pete to get his cock inside me, and he was so excited by the situation that I had to frig my clit myself, he came so quickly.

We lay there, covered in leaves and grass stains, a sweat and cum-sodden heap. Just as we were recovering and thinking of getting dressed again, we heard a dog barking close by, and before we had time to even move, an excited fox terrier came bounding over to us – followed closely by his irate owner!

The poor old boy was furious at the sight of us; he went as red as a beetroot and stalked off, leaving us helpless with laughter behind the bush. We pulled our clothes on as best we could, and made our way home – where we had another wild fuck, because we were so turned on just talking about our antics in the park.

Since then, we've had sex in the open frequently. It just gets better and better, and if we get caught, that's the best of all! – *Alison, Peterborough*

PEEPING TAMMY

Just recently, I became a voyeur, and it's led to the most exciting time my pussy has ever had. It began quite by accident, but now I've started my Peeping Tom antics, I just can't seem to stop.

One Sunday lunchtime, I was getting ready to go out with my boyfriend, when I glanced idly out of the window as I was doing my make-up. My bedroom is at the back, and I had a clear view of my next door neighbour's back garden – and what she was doing in it!

There she was, lying flat on her back on the patio lounger, her legs back almost behind her ears as she looked down her stomach to watch the good looking young man who was eating her pussy with obvious relish. She was smiling and grimacing at the same time, then suddenly she began to play with her tits as she felt herself about to come. Her legs bucked above the young man's head, and she thrashed around and moaned as she had her orgasm. In fact, she was moaning so loud I could hear her through the bedroom window.

I felt a bit guilty for watching, but I couldn't take my eyes off the sight, as my neighbour then took her lover's cock into her mouth, rolling it around with her tongue. He stood over her, holding it at the root as she ran her tongue along the shaft, licking the head and the underside. From where I was standing, I could see the expression of wicked enjoyment on her face as she took the hard knob right back in her throat, then pulled it almost all the way out again. Suddenly, the man's prick twitched violently and my neighbour pushed it between her tits as he shot several wads of spunk over her cleavage.

By now, I had my hand between my legs, and I pushed my soaking pantie gusset aside to put two fingers into my pussy. I was still watching the couple as I swirled my juices around with my fingers and played with my clit to bring myself off. Just as I was about to come, my neighbour looked up to my window. She couldn't help noticing what I was doing; from the expression on my face and the hand playing with my nipple, it was obvious. As our eyes met, she just grinned before they both went back into her house.

After a tremendous climax, I was cringeing with embarrassment. I knew she'd seen me, and she must know that I'd been watching her. I didn't know how I was ever going to face her again, and I scurried off to meet my boyfriend before she saw me.

When I got back around teatime, I was just about to boil the kettle when the doorbell rang; it was my neighbour, Carol. I nearly died on the spot when I opened the door, but Carol just smiled and stepped inside. After a long chat, she

confessed that she'd really enjoyed the thought of me watching her and getting turned on by it. She then stunned me by inviting me round for some threesomes with her and her lover, Jeff. Needless to say, I didn't refuse – and since then we've tried every possible variation with incredible results! – *Tammy, Cumbria*

BRAZZY BRONZING SESSION

After the usual disappointing start to the English summer, I've at long last moved the sun lounger out to the patio. North London isn't exactly the most isolated spot in the world for topless sunbathing (my garden flat's surrounded by gloomy tenement buildings) and there's always at least two pairs of horrid little beady eyes watching me lying there making free with the suntan lotion.

Last Sunday afternoon my boyfriend called round with three of his mates. They raided the fridge and went through to the lounge to watch cricket on TV. Later, just when I was giving my boobs a fresh application of lotion, one of John's mates staggered out on to the patio to "get some fresh air", and saw me oiling myself.

"Need a hand?" he asked.

I told him to piss off, but he just laughed, grabbed the bottle of suntan oil and squirted it over me as I tried in vain to cover myself. Attracted by the commotion, John came outside, pushed his mate aside, and started running his hands over me.

I begged him to save his randiness for later, but he seemed hell-bent on showing me off to his mates, massaging my slippery boobs and slipping his fingers inside my bikini bottom.

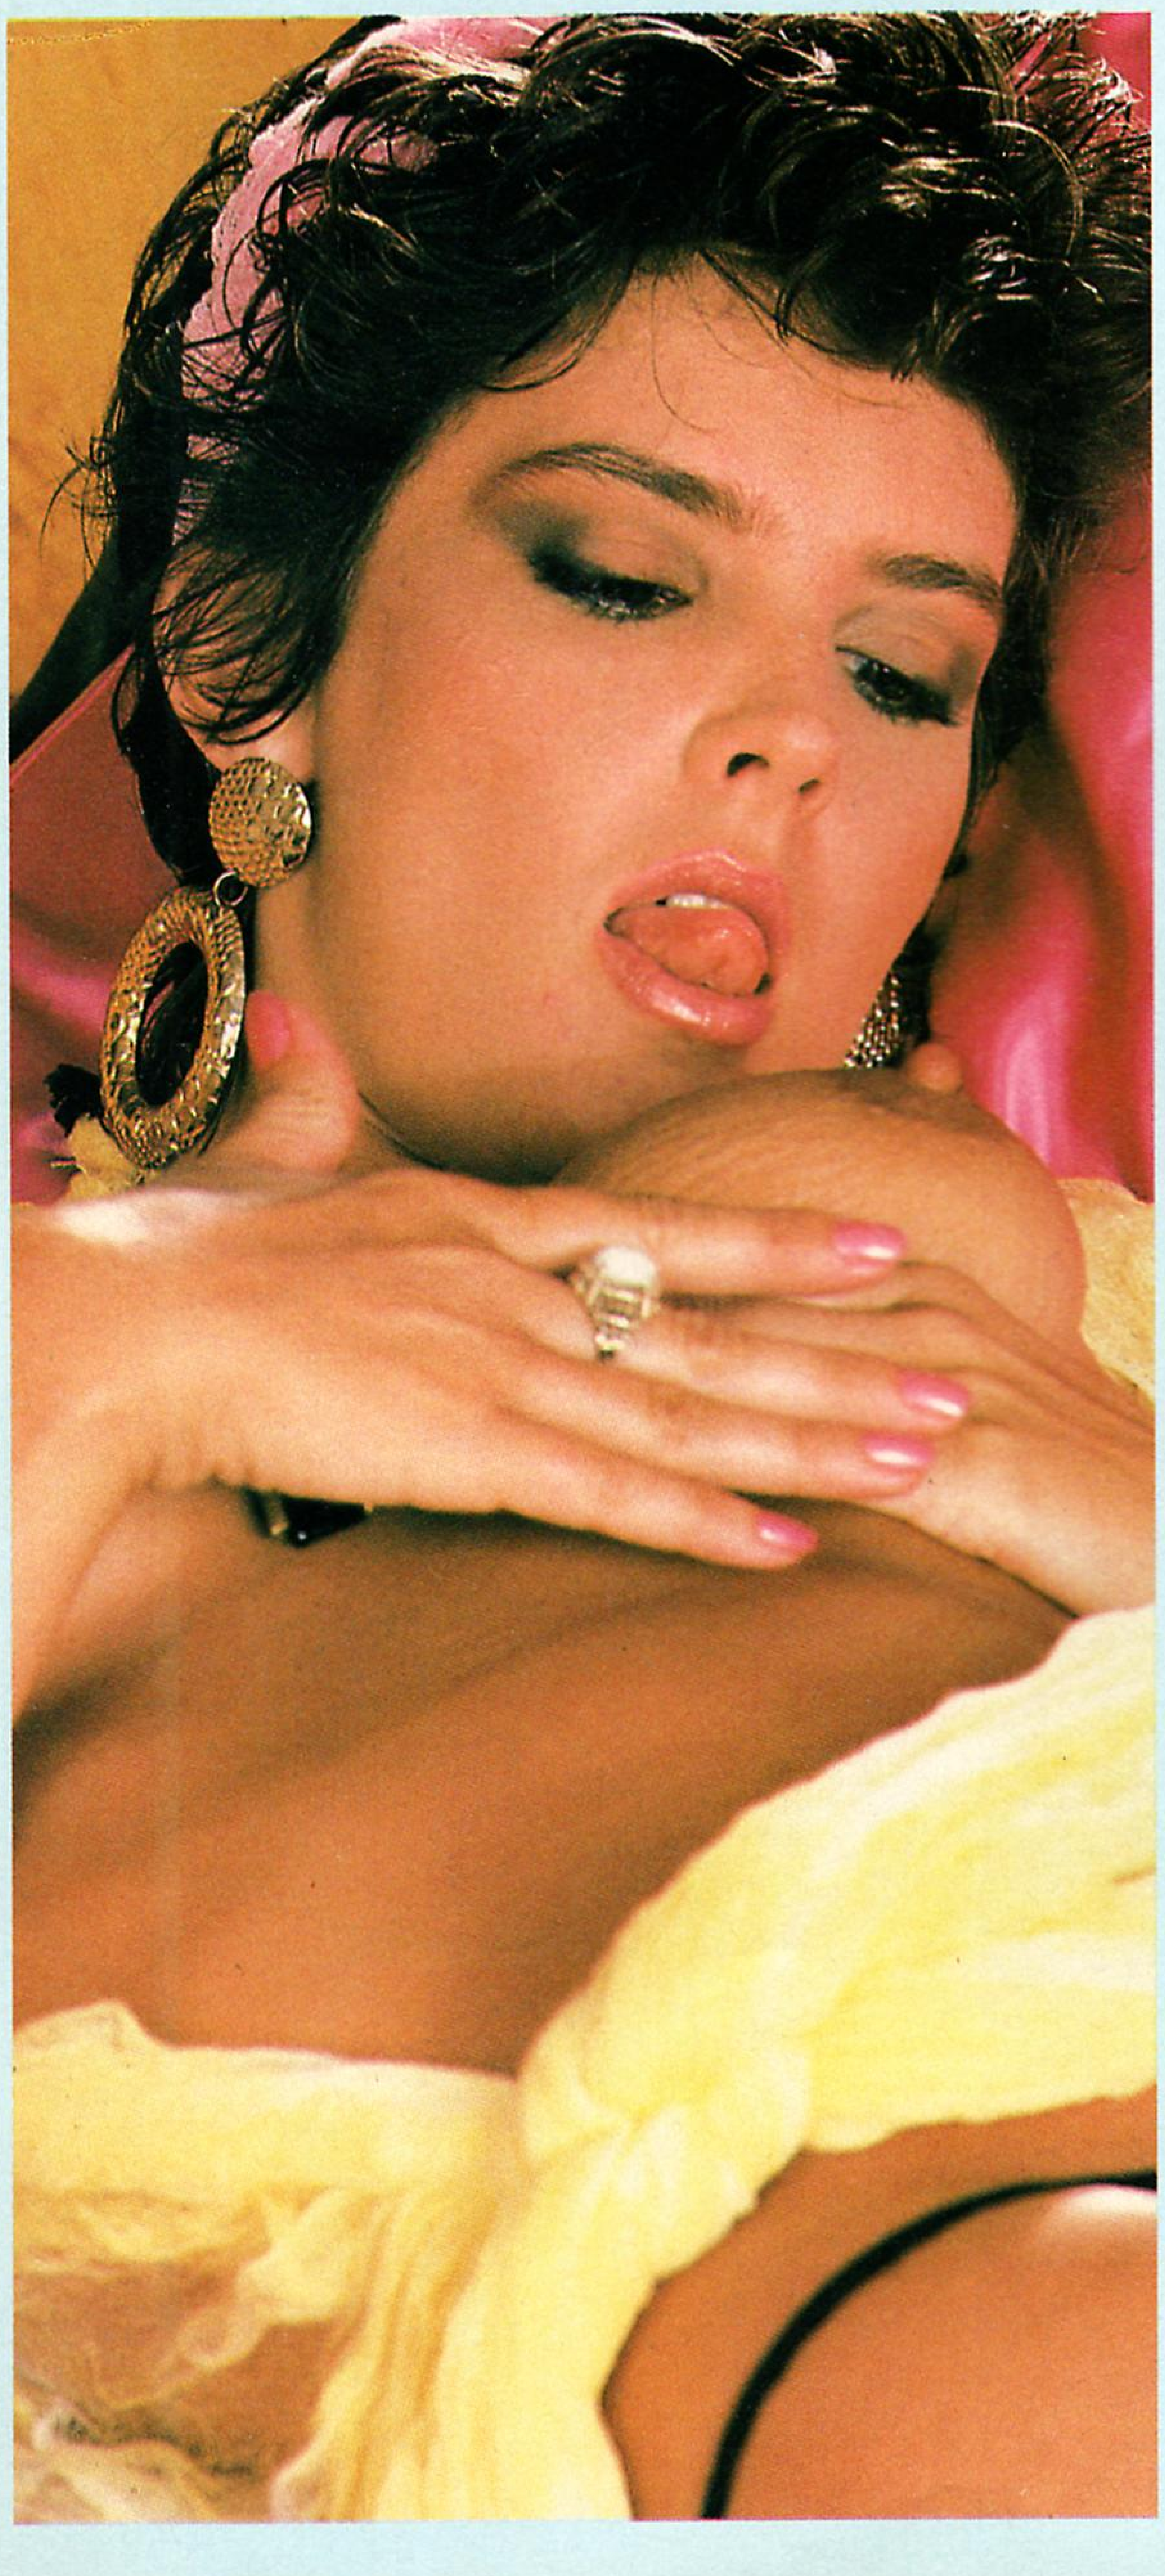
"Look! It's a live sex show!" John's friend shouted to his mates in the lounge.

John's a brilliant lover and once he starts on me I just can't get enough. No matter his stupid cronies were standing around gawking; I lay back on the sun lounger and spread my legs when he put one of his knees between mine, and there was a tumultuous cheer when I unzipped his jeans and extracted his hard-on.

Without further ado, John scrambled out of his jeans and T-shirt and I peeled my bikini bottom off and kneeled on all-fours on a towel on the hot stone slabs, flinching with pleasure as John, kneeling behind me, dug his nails into my hips and introduced his knob into my wet, pouting sex.

For almost five minutes my lover kneeled behind me, jiggling his knob between my labia, urging his chums to drop their trousers and help themselves to a feel of my greasy body. Predictably, this group feel-up quickly degenerated into a blowjobs-all-round session, with John rogering the daylights out of me from behind.

Suddenly reminded (courtesy of a particularly obscene catcall) of the lurid exhibition I was providing for my neighbours, I led the lads into the cool comfort of my bedroom and entertained them two at a time between the sheets. Later on I cooked them all a barbecue dinner before we repeated the experience: no wonder boys think I'm an easy touch! – *Linda, Tottenham*



Holiday Blues

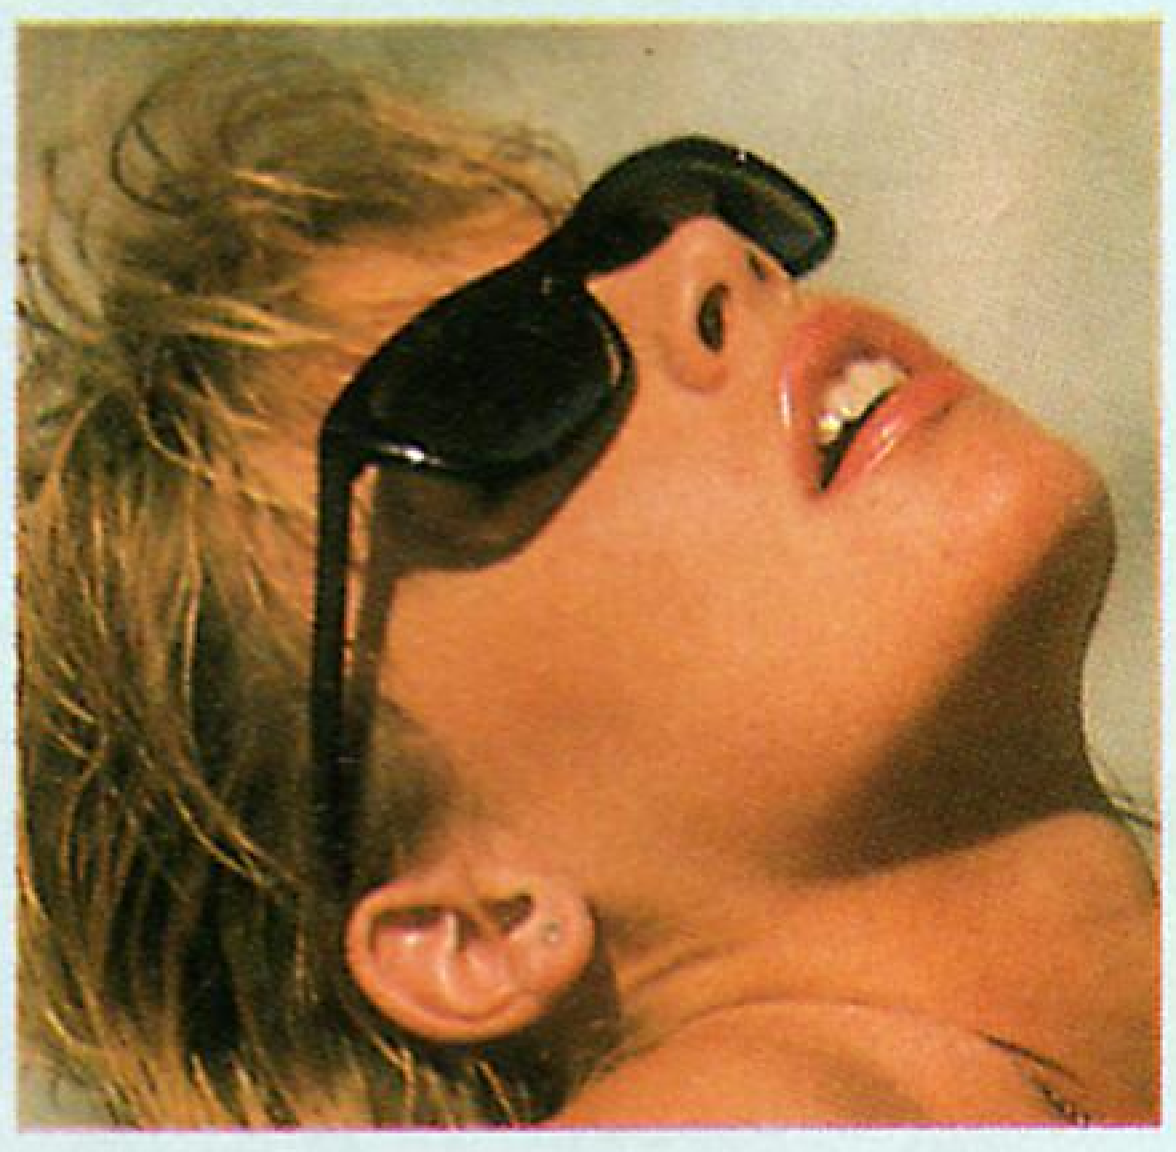
Beach Bums Holiday Fling

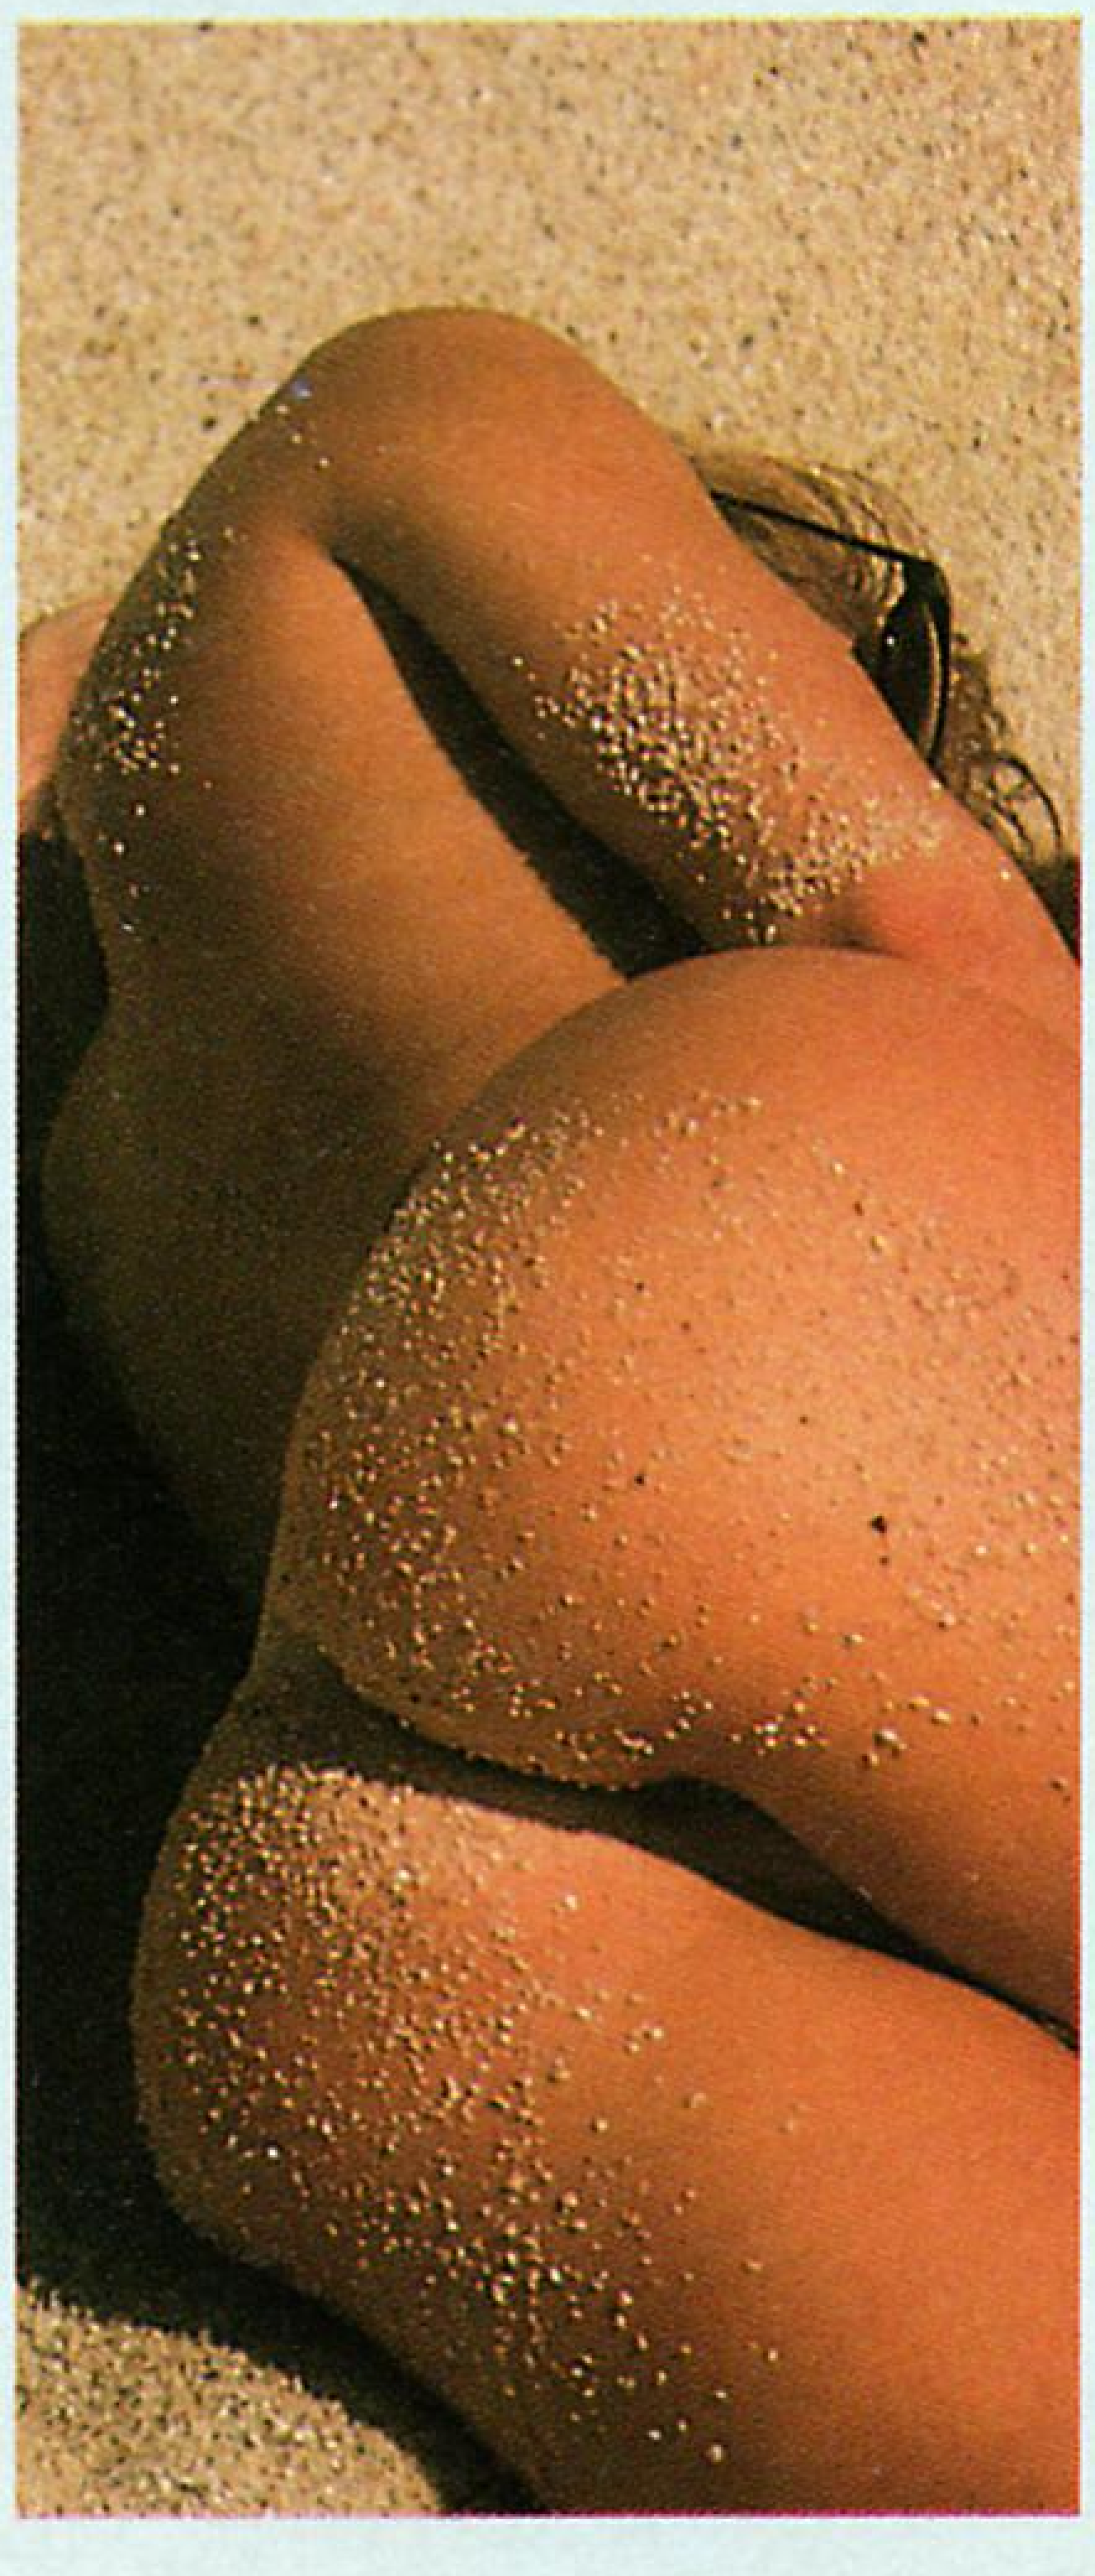
Every year when I go on holiday, I like to meet someone new to make friends and fuck with. Over the past couple of years, I've met some pretty randy guys (luckily for me!), but a couple of months ago I went off to Crete and had a fuck-filled holiday fling of quite a different kind.

As usual, I was a bit nervous – you know, being on holiday by myself, but on my first night I went down to the hotel bar and ordered a few strong cocktails to steady my nerves while I looked out for the talent around the lounge bar. I was a bit disappointed not to spot anyone I really fancied right away, but then I caught sight of an attractive woman sitting in one of the corners, looking as if she were clocking the men the same way I was.

She was a good-looking blonde, about 30, well-groomed and expensive. Our eyes met again and I grinned, thinking things would be twice as good if we teamed up and went on the hunt in a pair. And after all, she was so gorgeous, with an even, golden tan and long, shapely legs, the men wouldn't stand a chance. I'm not so bad looking myself, so I reckoned we'd knock them all for six.

Over the next couple of days, Anne and I got friendly, hanging around the beaches and bars on our quiet side of the island. We had a lot in common, she being a doctor and me a nursing sister, and we really got along well. Several times, I caught her glance lingering on my boobs or my thighs when we were sunbathing, but I didn't really think anything of it till the day we went off to a secluded cove we'd discovered, for some nude sunbathing.

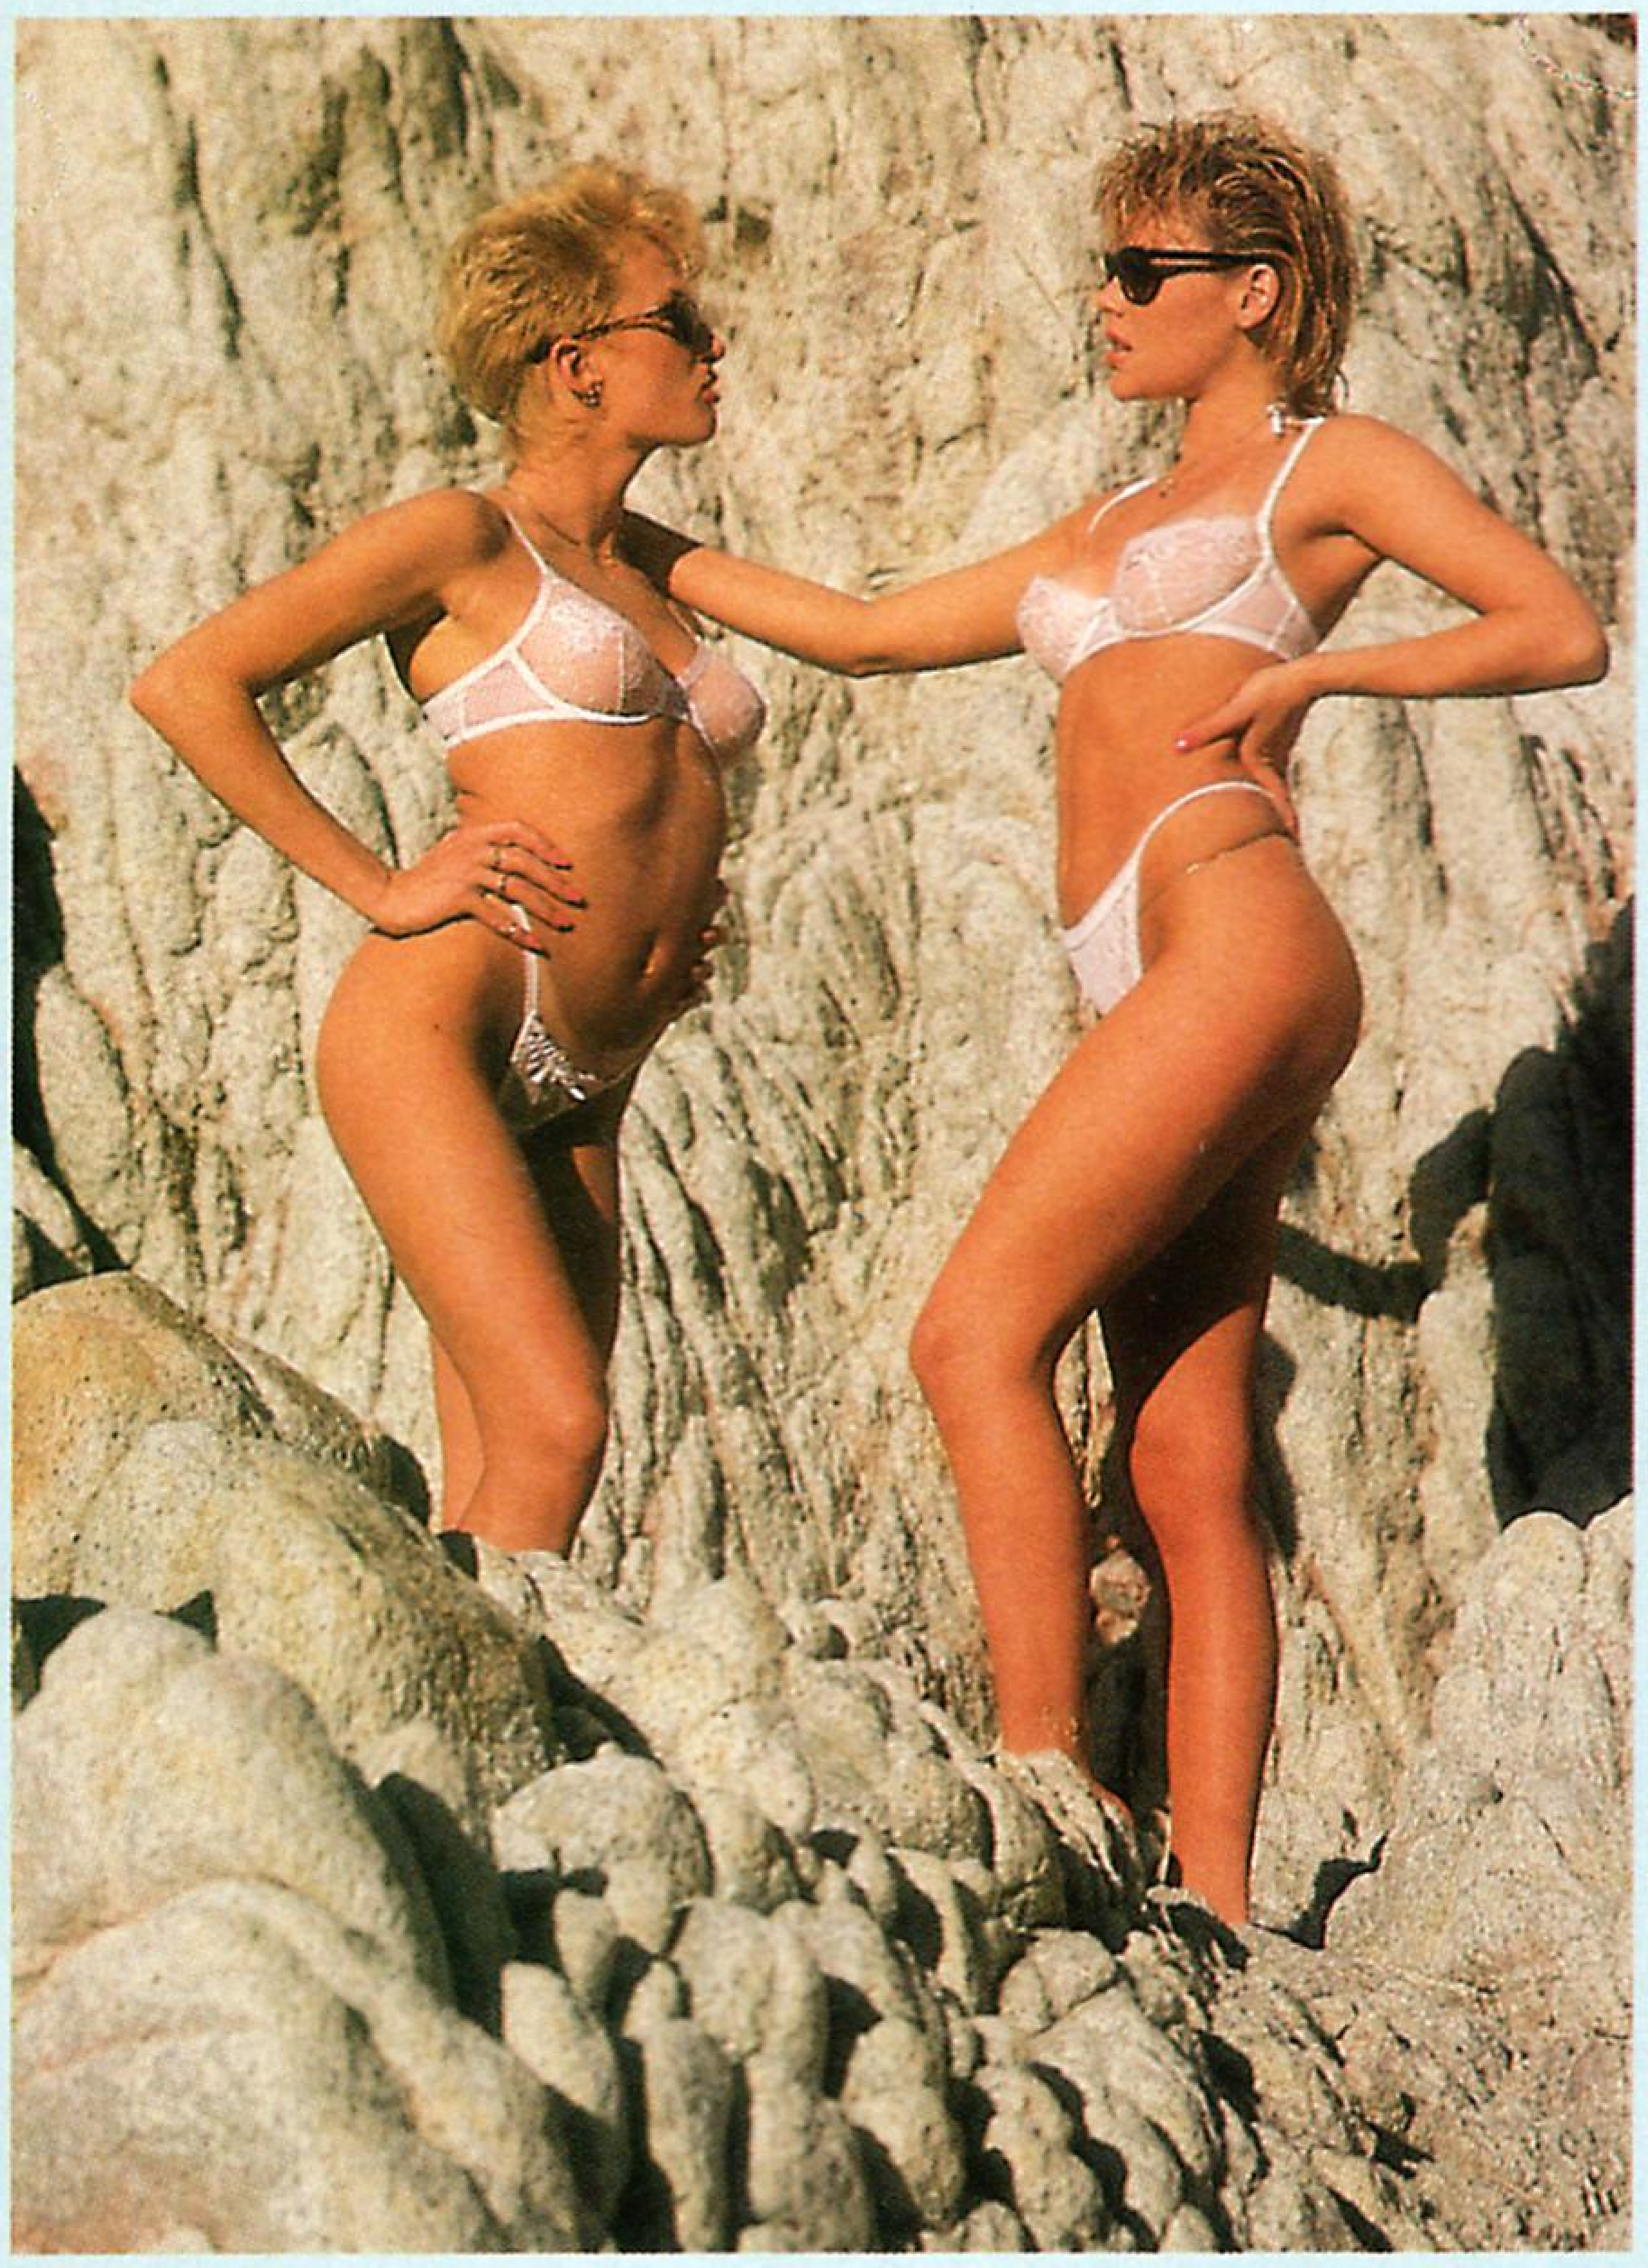




I'd not sunbathed totally nude before, though Anne and I had been wearing thongs all holiday, so I was unprepared for her reaction when she saw me strip off on the beach. Her eyes ran the length of my body and up again, until our gazes met for a long, sexually charged minute. After that I was shaking, and Anne's hands were none too steady as she took off her clothes and settled down on her towel.

I couldn't stop thinking about the way Anne had looked at me, or how I'd felt, the jolt of heat in my pussy telling me what I'd already half suspected; that Anne fancied me and the feeling was mutual. At first, it was a bit of a shock, as I'd never been sexually attracted to another woman, but I couldn't stop myself wondering what it would feel like to make love to Anne. I was determined to find out.

I turned over very deliberately, baring my boobs to the hot sun, and looked at Anne. She was trying to look away from my erect nipples, but I could see a faint dampness in her pubes just near her lips, and I knew I was turning her on. Without speaking, I handed her my suntan oil.



I was trembling with anticipation as Anne poured it on to my stomach and boobs and started to massage it in with firm, sensual strokes. I closed my eyes and admitted to myself that this was getting me more excited than any man ever had, then I suddenly felt Anne shifting her body on top of mine, so that our tits, thighs and pussies were pressed close together. She ran her tongue over my mouth and started to kiss me fiercely, at the same time reaching her hand down to my pussy to stroke my clit.

I couldn't believe how good it felt as her skilled fingers probed through my bush to find that little button,

and I arched my back, thinking in embarrassment that I was going to come after only a couple of minutes. I looked down at Anne's blonde head as she ran her mouth over my swollen nipples and down my stomach to my fanny.

I held her head firmly at my snatch as she lapped away at my juices; I'd never known them flow so freely, and her face was smeared all over with them. She looked up and smiled as she carefully put two fingers into my fanny and stirred them around, then sucked on my clit at the same time until my climax came.

I felt drained, and overwhelmed at the force of my orgasm. Anne sat up next to me and licked the sheen of sweat from my boobs as I tried to stop shuddering. I couldn't think of anything to say to Anne, and she sensed my embarrassment.

"That was the first time with a woman for you, wasn't it?" she asked. I admitted it was, and she told me about the first time she'd had sex with a woman, and how after that, sex with men became much better too.

"Well, now that you've been initiated," she said, "I want to really let go." And in front of my eyes she started to rub her slit with both hands, lying back on the towel and opening her legs really wide so she could get her fingers right in. One hand was roughly pulling at her clit as she masturbated herself to a mini orgasm. She lay back, panting.

"I want you to make me come," she smiled at me. I knelt down in between her open legs and pulled them up on to my shoulders, so that she was balanced on them upwards, with her pussy, all pink and swollen, right in front of my face.

"Suck me, for God's sake," she demanded, and I ran the tip of my tongue along the length of her slit, tasting her warm, savoury juices. My own cream was starting to trickle down my thighs again, and I shuddered as I put my tongue right into her snatch and began to lick her out.

As soon as my tongue went in there, I knew I could never get enough of it, and I lapped furiously as Anne panted. She was breathing hard and fast, and grinding her pussy right into my face, then she wrapped her legs right round my neck as she thrashed about and rubbed her pink, jutting teats. Suddenly she was coming, and without warning I was, too. I hadn't even fingered myself, but if anything this orgasm was even better than the last one.

We got up and Anne gave me a brisk rub down with her towel, which left my whole body feeling tingly and ready for another bout of pussy licking, but Anne obviously wanted to rest and talk. We strolled along the beach with our arms round each other, just chatting and getting easy with one another. It seemed odd to be in that kind of situation with another woman, but strangely enough I didn't feel bad about that. Despite the fact that Anne and I had just

exhausted ourselves with a good hour's worth of fucking, I still wanted more.

That night, Anne suggested that we should find a man to take part in our newly discovered activities, and I readily agreed. After all, though Anne had given me the best orgasm I'd ever had, I'd missed the feel of a good, hard prick clamped between my pussy walls and besides, I was excited at the prospect of seeing Anne going down on a man while I watched.

We chose him from the hotel lounge – he was a young French tourist, and he looked as if he was game for a good fucking, as Anne put it. It was no problem for us to chat him up and ply him with drinks; he seemed delighted that two attractive, older women were showing so much interest in him and he didn't hesitate when we took him to the same quiet beach where Anne had fucked me earlier.

"I want to watch you suck him off," I told Anne, and she obliged straight away, whipping his hard cock out of his shorts and starting to give it a good tug. It was long and slim, and very erect, and was soon shiny with saliva as Anne took it into her mouth and gave it a generous coating of her lipstick! I could feel my knickers getting sticky with my juices, so I quickly slipped a finger inside to bring myself off.

By this time, the French boy's cock was twitching and Anne took it out of her mouth just as he shot his cream over her nose and forehead. I got down on my knees as fast as I could and licked it from her face as she caressed my boobs. Then, a moan from the French boy told me he still wanted seeing to, so I hurried to grasp his cock. Although I'd just come, the thought of getting that cock up me right to the end of my pussy was just what I wanted, and I pushed him on to his back and rode him to another climax, while Anne watched and brought herself off as I had.

I've seen Anne (not her real name) several times since that holiday, and I still can't decide whether I prefer fucking with her or with men. As yet, we've got no plans to repeat our threesome – unless the right man comes along at the right time! – *Shona, Dewsbury* ♣

CLUB
EVENT
gets pissed

Pass-Out is the name of the game, although they might have been better off calling it Piss-Out, if the state of our four Eventers at the end of the session was anything to go by.

And it probably was!

The idea of the board game is simple – and absolutely bloody devastating to the Club booze fund. The more you lose, the more you have to drink. And if you reckon that's not necessarily a bad thing, you should try quaffing your way through half a bottle of gin, three cans of Holsten Pils and a bottle of Liebfraumilch – as poor Sandra here had to do. "I think I've got the female equivalent of brewers' droop," she shlurred at the end of the game. "If I had a bloke with a big hard-on in front of me now, I wouldn't even be able to shee it."

"And thash not like you, Sandra, is it?" giggled the only-slightly-less-pissed Mandy. "You'd normally be at it fashter than an MP running from a brothel raid." Sandra was the first to agree with this subtle observation.

Susan and Lisa probably would have agreed, too, but they were too busy sucking each other's tits to take any notice. Well, all the booze had gone, so they had to suck *something*, right? ♣

SEX VIDEO TITLES AT WELL UNDER £2 EACH

UNCENSORED IMPORTED SCAN TITLES

"You cannot understand what they are saying, but you can sure see what they are doing."

Not only can you buy these sex video titles at rock bottom prices, but you also get genuine uncensored hard-core titles. The reason is simple, imported foreign language titles do not, as yet, require certification. Prompting one of our managers to say "You cannot understand what they are saying, but you can sure see what they are doing."

We have stacks of these video titles in stock and as they will have to be certificated fairly soon we are looking to clear our stocks now.

LOW PRICES
Because of the low prices and the high cost of packaging and despatch, we ask only that you buy a minimum of 4 titles as the groups listed.

FV/17 — ALL 4 VIDEO TITLES REDUCED TO £11.95

THE SECRETARY. The bi-sexual temp has the office hot and horny as she gets it over the typewriter, is molested in the lift and fornicates with the girls in the broom cupboard.

THE VISIT. A young family friend visits and he's randy. She does not object and soon he has her boobs out, then she's naked and they are at it all over the house.

LADIES AFTERNOON. Three ladies meet for afternoon coffee and lesbian fun. See the excitement as they get to grips with each others bodies.

THE INTERVIEW. A job with this man means more than typing. Each applicant is stripped and splayed in turn. He then sends them to his secretary in the next office for horny two girl action.

FV/18 — ALL 4 VIDEO TITLES PRICE SLASHED TO £11.95

PHOTOGRAPH. John takes lots of hard-core pictures of his wife playing with herself and sends them to a girlie magazine. Instead, of publishing them the Editor rushes round and gives her one.

LADY IN BLACK. Dressed in black leather, she watches her friend and husband at it while she plays with a big black dildo.

THREE GIRLS. Three girls egg each other on to chat up the window cleaner. One does, but she can't take all he can give her so she calls for her friends to help.

FRIENDS. Two friends both have the same girl. Then they both have her sister. One of the friends has the girls' mother in the kitchen. Then the mother's younger sister walks in . . .

FV/19 — ALL 4 VIDEO TITLES DOWN IN PRICE TO £11.95

THE PARTY. John and Alice hold a wife swapping party. However, another wife fancies Alice who is quite happy to oblige. Fortunately there is a spare girl for John.

HANDS. Jenny enjoys a sauna and body massage, but today only the handyman, with his rough, coarse hands, is available. Soon Jenny is groaning with pleasure as these rough hands find the sensitive parts.

HOUSE IN THE COUNTRY. A lecherous couple set up a training school for nurses. Biology soon turns into a bi-sexual orgy, as everyone fights to join in.

THE MIRROR. With two-way mirrors, the madame watches her girls getting it from any manner of male and female customers. At the end of the day she chooses one of the girls for her own kinky lust.

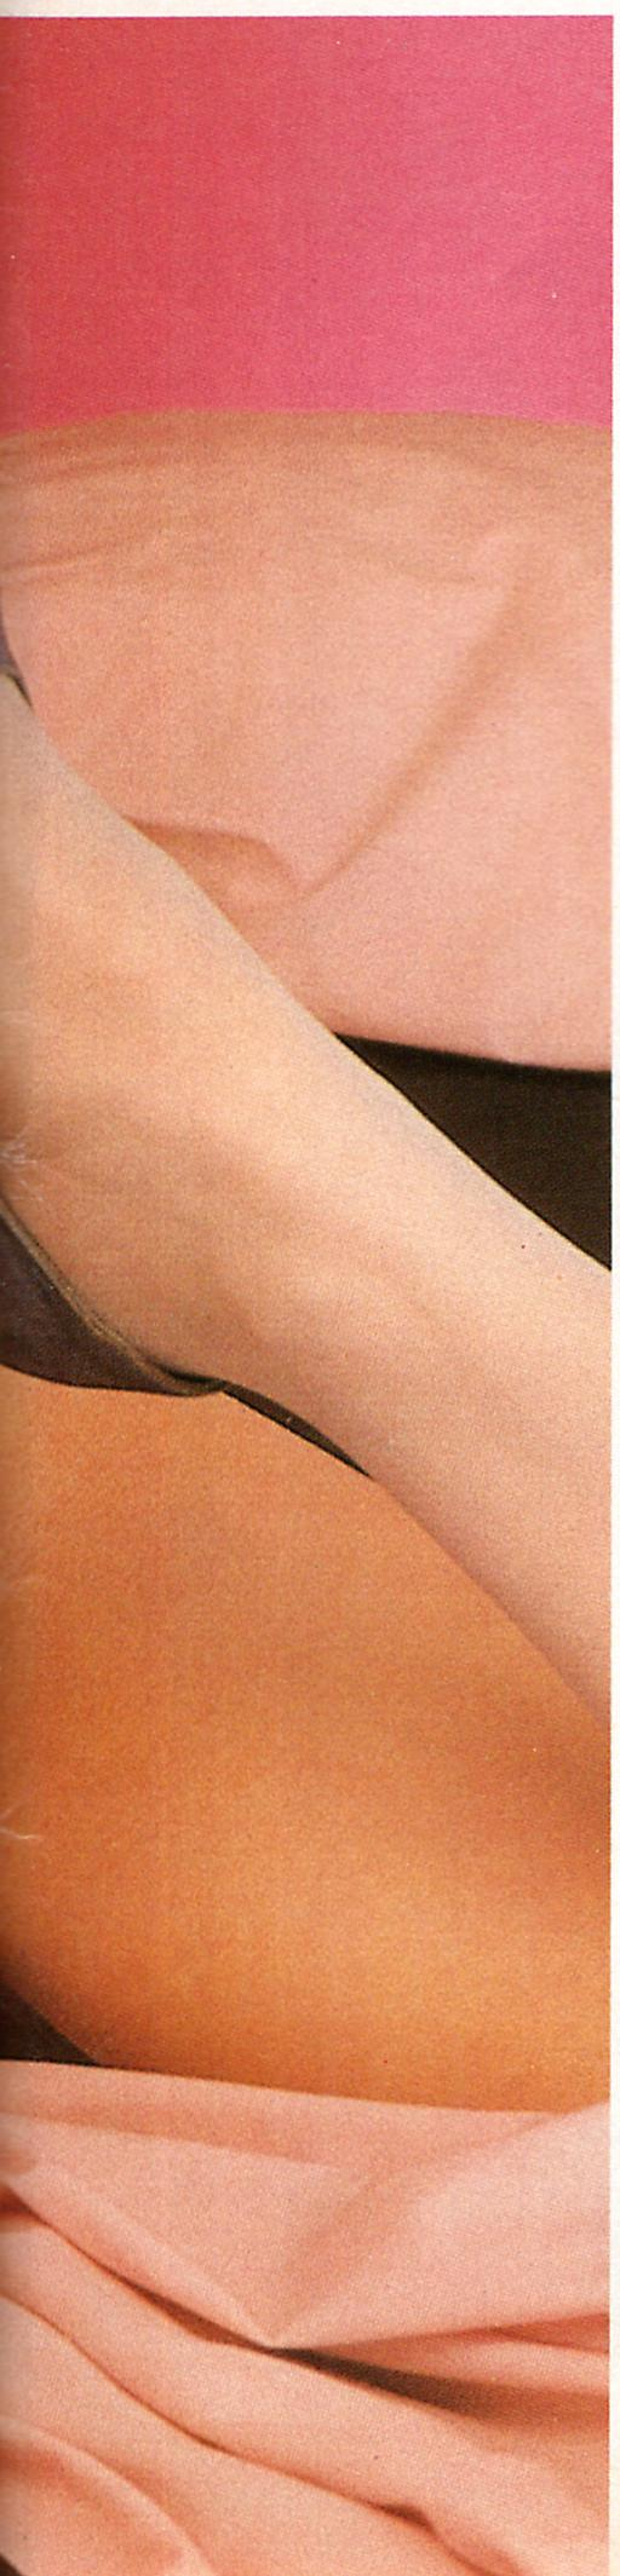
Rachel

"Sex," says our 19-year-old Welsh rare-bit Rachel, "is taken far too seriously by some people. It's all about enjoying yourself, after all, and the day I'm not looking forward to a bit of leg-over is the day I'll

pack it in."

No likelihood of that, we hope?

"Absolutely not! In fact, I get all excited at the thought I've got another eight years to go before I reach my sexual 'prime'. But I can't



imagine that I'll enjoy making love even more than I do now – I really let myself go when I'm being fucked. I only hope there'll be enough men around in eight years' time to keep me satisfied . . ." ♣

coming in club

So what have we got for you in Club International next month? Well, there's so much, we'd be quicker telling you what we *haven't* got.

Well, there's a list of every application for planning permission made to Kettering Borough Council since 1959. We haven't got that. Nor do we have a pictorial history of the Crimplene two-piece suit. And we won't be bringing you an exclusive first interview with a bloke who had a walk-on part in *Poldark*.

What you *will* see next month are loads and loads of pictures of nubile, naked girls, including the one you see here (waaaa!). You'll find Volume 17 Number 7 on your top shelves (just above *What Heat Pump?*) on June 23.♣

CLUB INTERNATIONAL – IF WE HAVEN'T GOT IT, IT'S NOT WORTH HAVING.

drew them down. She gasped as my penis emerged absolutely rock-hard with the first drops of sperm emerging from its tip. I felt as if I was ready to burst.

She looked up at me, wide-eyed and beautiful, and I just nodded at her. She grasped my spike and put her mouth over the helmet and started tonguing it. When I couldn't stand it any more, I pulled her up and carried her over to the bed. I laid her down and removed her skimpy, wet knickers, then I kneeled between her opened legs. I kissed her face, her neck, her breasts and her stomach, then my tongue pushed through the wet patch of thick, curly hair and found her clitoris. I do love the way girls squeal when you find their clits. It's my favourite sound. Tastes good, too.

I flicked it from side to side, which got her gasping and even wetter. Then I slowly parted her red pouting lips with my tongue and went to push it into her vagina, when I noticed she was obviously still a virgin. This gave me renewed vigour and I started lapping up her love juices, which were now flowing freely. The sight of her wet, open fanny right in front of my eyes eventually got too much and I worked my way back up to her pretty face. We looked at each other and she grasped my cock, placing it between her thighs at the opening to her snatch. I pushed forward just an inch or so and teased her (and me) until at last I pushed very gently forward. She stared at me with her big eyes.

"Be careful, don't hurt me," she pleaded as I gradually pushed right the way in until our pubic hairs melted together.

I assured her I wouldn't hurt her and began slowly thrusting long strokes, until I nearly withdrew. Then I plunged back into her glorious, warm, wet depths. She cried out in pleasure repeatedly as I increased the rhythm. Suddenly she froze with an expression of pure delight, and I knew she was about to come. I put in a couple more strokes and then plunged right the way in as my orgasm exploded in her. No way could I have held back.

She shook and cried in her orgasm's sheer power for about a minute, then I withdrew and replaced my head between her thighs to suck and lick our mingled sperm and love juice. Seeing her like this at first made me think how young, innocent and beautiful her face looked, but then I started hardening again. Sarah rolled me on my back, straddled my hips and guided my penis into her again.

This time our fuck was a lot quicker and, as she bobbed up and down on my cock, I caressed her breasts until, again, she shuddered to her climax and I shot my second load into her. As she pulled away, our combined juices ran in a cascade down her thighs and again I licked it all up. She did her bit by licking my sticky cock clean.

We spent the rest of the night fucking, and making plans to see each other on future occasions – which I'm very much looking forward to. – *John, Brighton*♣
